

John M. Pfau Library

Title

Walter Henry Clarence Steele photographs

Date (inclusive)

circa 1865-1972

Creator

Walter Steele

Extent

6 document boxes (602 items)

Repository

California State University, San Bernardino. John M. Pfau Library, Special Collections & University Archives. San Bernardino, CA 92407

Abstract

This collection contains historical photographs of San Bernardino, CA and the Inland Empire region of Southern California taken and collected by notable local photographer, Walter Henry Clarence Steele.

Access

Materials are open for research, but advanced notice is required to use this collection.

To request access, please contact Special Collections & University Archives by telephone at 909-537-5112 or via email at archives@csusb.edu.

Acquisition Information

In 1974 professor Bruce Golden sent Pfau Library Director Art Nelson information on Walter Steele's collection of historical photographs. Over the years Director Nelson purchased over 600 of the photographs for Pfau Library Special Collections & University Archives.
