FUNDING INITIATIVES

The Finance Committee reviews proposals, donations, and CAB requests.

WHAT IS CAB?

CAB stands for Club Allocation Budget, and it's our process for distributing ASI funds to chartered clubs and organizations at CSUSB. CAB is how a lot of events, conferences, and project materials for student organizations get funded!

There were over **100** scholarships distributed to CSUSB students!

LEGISLATIVE AFFAIRS

Legislative affairs works to promote external and internal partnerships that enhance the student experience at CSUSB, and advocate on issues that relate to higher education.

Civic Engagement is very important to the ASI Legislative Affairs team!

ASI led efforts in a campaign called "Voice Your Choice" during the Fall of 2022, which educated students on voter registration and the election of November 2022.

ASI also provided students with well-researched and non-partisan resources to educate students about what a "yes" and "no" vote would mean for each proposition on the 2022 ballot.

Civic Engagement Fair

ASI and other campus partners hosted the Civic Engagement Fair at both the San Bernardino and Palm Desert Campuses. Students were able to visit various tables, learn how to become involved in the community, and receive a free boba drink or meal.

COYOTE GARDEN

The ASI Coyote Garden is a green space on campus dedicated to sustainable food production, sharing gardening knowledge through workshops, being a space for volunteer opportunities, and providing students with fresh produce! All produce harvested from the garden will be available for students to pick up at the CSUSB Obershaw DEN.
