Subject: Campus Policies and Procedures Under Review

Good Morning,

Revisions to various campus policies are being proposed for approval and implementation. Proposed revisions to these policies were presented to the Administrative Council on November 13, 2019 and subsequently are being sent to the Campus Community for review. For any comments, questions, or feedback, please contact the designated policy reviser. For your reference, redline versions of the revised policies are attached.

- A revised version of the **Official School Colors Policy** is being proposed for approval and implementation. Please review the revised [Official School Colors Policy](#) and send any feedback you may have to Bob Tenczar, Associate Vice President for Strategic Communication to robert.tenczar@csusb.edu by January 17, 2020.
- A revised version of the **Stationery Policy** is being proposed for approval and implementation. Please review the revised [Stationery Policy](#) and send any feedback you may have to Bob Tenczar, Associate Vice President for Strategic Communication to robert.tenczar@csusb.edu by January 17, 2020.
- A revised version of the **Weapons on Campus Policy** is being proposed for approval and implementation. Please review the revised [Weapons on Campus Policy](#) and send any feedback you may have to Joseph Fleming, University Police Lieutenant to joseph.fleming@csusb.edu by January 17, 2020.
- The **Database Access Policy** is being proposed to be eliminated as it is superseded by ICSUAM 8060, 8060.S and CSUSB Access Control Standard. Please review the [Database Access Policy](#) and corresponding ICSUAM's and CSUSB Standards (attached) and send any feedback you may have to Sam Sudhakar, Vice President for Information Technology Services to ssudahakar@csusb.edu by January 17, 2020.

Thank you,

Doug
