What is the CSUSB Retirees Association?

The CSUSB Retirees Association was established in 2001 through the cooperative efforts of retired and current Cal State San Bernardino faculty and staff for the purpose of fostering a continuing social outlet for members and serving the mutual benefits and interests of CSUSB retirees.

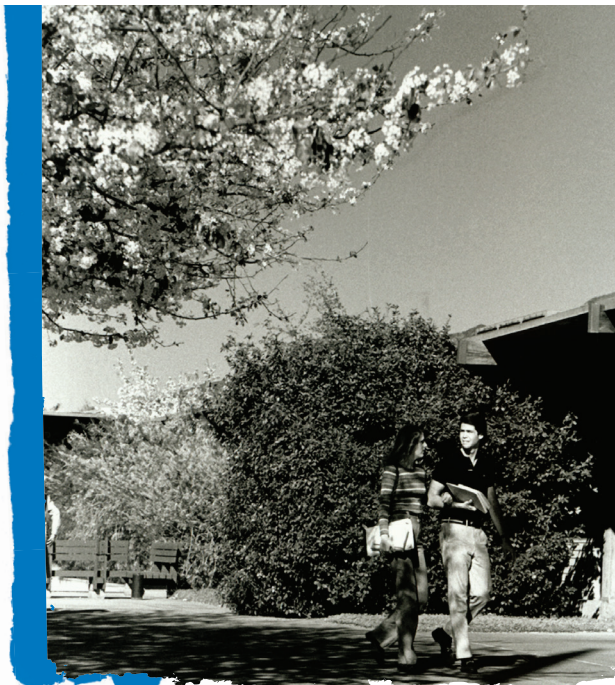

Join the Retirees Association and help schedule activities of interest to CSUSB retirees. Any faculty or staff employee who has retired from the university, or surviving spouse/partner of a retiree, may participate.
