

2019 CSUSB Business Services Conference Questions

1. For ICT accessibility reviews, if the vendor has questions about the required VPAT, who can we connect them with from our campus to answer their questions?

"If you have requested a VPAT/Accessibility Conformance Report from your vendor, and they are unsure about the requirement, or they have additional questions, you can refer them to our ICT Accessibility Specialist, Constance Jones x77282, who will brief them on the requirements of the CSU Accessible Procurement Process."
[newly created FAQs on our website](#)

2. Are there accounting techs assigned by vendor?

Yes, we have a listing on our website of who handles the specific letters of the alpha for vendors.
