Introduction & New Member Welcome

Sorenson welcomed new CAAB members to the committee.

Designing for Neurodiversity – LPA

Nasland and Phillips presented on how to design an environment for Neurodiversity. Defined neurodiversity and different key terms such as neurotypical, neurodivergent, hypersensitive, and hyposensitive. Elaborated on design strategies that target shared traits such as sensitivity to stimuli, inclination for movement, need for privacy regulation, complications with wayfinding.

Campus Accessibility Guide

Sorenson informed the committee that the Campus Accessibility Guide needs to be reviewed and updated. Will reach out to Lori Palmerton to get an update.

Department Updates

- Facilities Planning and Management

Sorenson announced that concrete next to the fire lane by the new Performing Arts building will be replaced. The elevator modernization project is almost complete and is finalizing in UH. Sorenson reminded the committee that during the UH elevator modernization, only 1 elevator should be un-operational. If at any time, both elevators are un-operational, please contact Facilities Management.

- Academic Technologies & Innovation

Clepepe announced: SDC will be offering training on October 31, 2023 for document accessibility training, Popetech is fully operational, Speechify is now available and working on consolidated remediation workflow.

Sorenson adjourned meeting at 11:05 am

Next Meeting: January/February 2024
