Purpose

The purpose of this document is to assist CSU, San Bernardino administration in preparing annual and probationary performance evaluations in accordance with the respective Collective Bargaining Agreement’s (CBA) timelines and requirements, and to help employees understand their rights and responsibilities related to performance evaluations.

Introduction to Performance Evaluations

The Performance Management process facilitates both the growth and development of the employee in the achievement of the university’s mission and goals. It is a continuous process shared by the employee and their appropriate administrator, beginning during orientation, and continuing throughout employment.

The Performance Management system is designed to encourage continuous professional growth, stimulate behavioral change where the employee is not meeting expectations, and should include both oral and written two-way communication.

A performance evaluation is a formal opportunity to review the employee’s progress during the year and to set goals for the next period. Appropriate administrators provide performance evaluations for immediate reports at least annually. New and probationary employees receive evaluations based on their respective contractual frequency. It is the responsibility of each appropriate administrator to be consistent in the application of performance evaluation practices. Performance evaluations are based on observable, and when appropriate, measurable outcomes.

Roles

Lead

- A lead may be in the same collective bargaining unit as the employee.
- A lead may be asked to provide input to the performance evaluation.
- For CSUEU employees, the lead may be present when the evaluator presents the evaluation to the employee.
- Lead work direction involves organizing, scheduling, and assigning work; training and orienting employees; and providing input to employee selection and performance evaluations.

Appropriate Administrator

- The immediate non-bargaining unit supervisor or manager (except for a bargaining unit member that is not in the same bargaining unit as the employees they supervise) to whom the employee has accountability within the unit, department, school, college, or division.
- HEERA stands for the Higher Education Employer-Employee Relations Act (HEERA), of 1984. A HEERA manager is also called an MPP or Management Personnel Plan employee. The MPP, defined in Title 5, Article 2.2, of the California Code of Regulations, is an integrated personnel system addressing employment rights, benefits, and conditions for employees designated as "management" or "supervisory" level employee under HEERA.
- All MPPs are non-bargaining unit employees and most collective bargaining agreements refer to this category as HEERA or Administrator, or Non-bargaining unit administrator.
Employee & Labor Relations

- ELR staff conduct training on the NeoGov Perform system and overall performance evaluation processes. ELR staff are available by appointment to meet with appropriate administrators and staff for individual guidance.
- ELR staff are charged with ensuring compliance with performance evaluation timelines and processes.

Training

All appropriate administrators are invited to participate in the annual sessions hosted by Employee & Labor Relations staff. Appropriate administrators who are navigating the performance evaluation process for the first time or those who are seeking a refresher training are strongly encouraged to participate. Trainings are typically offered multiple times throughout the year.

Preparing the Evaluation

Annual

In February of each year, Division Budget Analysts will be sent an email reminder to update “Reports To” in PeopleSoft to ensure the proper designation of each employees’ appropriate administrator.

During the first week of April of each year, the appropriate administrator will be notified via the NeoGov Perform system that their employees’ performance evaluation templates are available for completion. All performance evaluations must be fully approved and signed by June 30, but appropriate administrators must keep in mind that employees are allowed a set number of days to review their evaluations prior to signing. A table of timelines is below:

Probationary

The evaluation template for probationary employees will be available in NeoGov Perform for the appropriate administrator’s completion forty-five (45) days prior to the end of the evaluation period. (Evaluation cycles are
dependent upon the respective bargaining unit; see “Timeline” table below for details.) The draft performance evaluation is due to the employee on the last day of the evaluation cycle, and the employee then has a set time period for review (see “Review Period” table above.) All performance evaluations must be fully approved and signed within five days of the end of the employee’s respective probationary review period. A table of timelines is below:

*Unit 8 – SUPA In accordance with Statewide University Police Association (SUPA) CBA & Peace Officer Bill of Rights (POBAR) requirements performance evaluations for SUPA represented employees are completed by the designated Appropriate Administrator in UPD. In accordance with the Statewide University Police Association (SUPA) CBA permanent employees shall be subjected to and receive annual performance evaluations. The evaluations must be given annually in accordance with campus procedures and timelines.

Completing and Submitting the Evaluation

UAPD, CSUEU, APC, Teamsters, Confidential Employees and MPPs

The appropriate administrator shall complete employees’ evaluations online in the NeoGov Perform system. Once the evaluation is submitted, the employee will be notified that their evaluation is available for review. As a
best practice, the appropriate administrator should schedule a meeting with the employee to review and discuss the evaluation. This meeting should occur during the employee’s review period (see table above).

The employee will review the performance evaluation prior to signing. Signing of the performance evaluation is the employee acknowledging receipt and does not indicate that they agree with its content. In accordance with the respective Collective Bargaining Agreements, employees may submit comments directly in NeoGov Perform and/or provide a written rebuttal to the contents of the evaluation. If an employee elects not to sign, please notify the ELR Specialist for next steps.

Once the employee has signed the evaluation, the appropriate administrator will be notified. The appropriate administrator will sign off that the evaluation has been finalized. The next level administrator will be notified for final approval.

When an appropriate administrator is issuing an overall evaluation rating of “Needs Improvement”, the appropriate administrator should notify the ELR Specialist.

SUPA

In accordance with Statewide University Police Association (SUPA) CBA & Peace Officer Bill of Rights (POBAR) requirements performance evaluations for SUPA represented employees are completed by the designated Appropriate Administrator in UPD. Completed performance evaluations are provided to the ELR department for placement in the personnel file.

Compliance

In accordance with the CSU CBAs, ELR follows applicable procedures to ensure compliance.

Annual

In February, the ELR Specialist will reach out to Division Budget Analysts who are charged with maintaining their respective “Reports To” in PeopleSoft. Having these reporting structures correct in PeopleSoft will ensure Performance Evaluations are assigned to the appropriate administrator. Performance Evaluations are released in NeoGov Perform during the first week of April. Appropriate administrators should sign in to NeoGov Perform to confirm they have access to evaluations for all their employees.

The ELR Department will hold NeoGov Perform training sessions for appropriate administrators and employees (typically two sessions per group during the first two weeks of March.)
In the first week of May, the ELR Specialist will send reminder emails to Appropriate Administrators providing the current year’s evaluation timelines for each bargaining unit. The ELR Specialist will work with appropriate administrators to revise or reassign evaluations as necessary.

Beginning the second Monday of June, the ELR Specialist will run a report in NeoGov Perform of outstanding evaluations and send targeted reminders to appropriate administrators. Subsequent reminders will be sent on a weekly basis.

Throughout the month of June, the ELR Specialist will send reminder emails to all appropriate administrators with a current list of outstanding evaluations. On the first Monday in July, the ELR Specialist will run a report in NeoGov Perform of evaluations that are past due and send the list to the Vice President of HR. The VP of HR will provide a copy of past due evaluations to division VPs. Subsequent lists will be provided on a weekly basis.

**Probationary**

The ELR Specialist will run a report of all outstanding probationary evaluations in NeoGov Perform on the first of each month. Reminder emails will be sent to the appropriate administrators of pending and/or outstanding probationary evaluations.

If the probationary evaluation is 30 days past due, the ELR Specialist will provide this information to the VP of HR so they may follow up with the division VP.

**Extension of Evaluation Period**

An employee's evaluation period is extended for the same number of days such employee is on paid sick leave or family medical leave of over thirty (30) days, parental leave, and for any day an employee is on Workers’ Compensation (WC), Industrial Disability Leave (IDL), Non-Industrial Disability Insurance (NDI), Military Leave or formal leave without pay (LWOP).
