

WE DEFINE THE
Future

THE FIELD OF SOCIAL WORK

Social Workers produce change in the lives of individuals, groups, communities, organizations, and across the globe. People have been empowered, relieved of suffering, and gained confidence to affect social change because of the work of a Social Worker.

A degree in Social Work provides countless career options. The demand for Social Workers in various settings continues to increase.

The mission of the social work profession is rooted in a set of core values. These core values, embraced by the social workers throughout the profession's history, are the foundation of social work's unique purpose and perspective:

- » Service
- » Social justice
- » Dignity and worth of the person
- » Importance of human relationships
- » Integrity
- » Competence*
