* MUS 4700 is the pre-internship clinical training course. Students are required to take the course a total of 4 times. In all they should accumulate at least 180 hours of supervised clinical time, or 45 hours a semester. Students must complete all four semesters before beginning their Internship (MUS 5754)

** The Internship in Music Therapy occurs after the student has completed all other Music Therapy courses, including all four MUS 4700 semesters. This creates a 4+internship degree.
