

2025-2026 Satisfactory Academic Progress (SAP) Appeal Instructions

Federal and State regulations governing student financial aid require aid recipients maintain standards of reasonable academic progress towards completion of their degree or certificate. Please visit our website for a complete description of the [Satisfactory Academic Progress Policy](#).

Appeal Process: Students who are deemed **ineligible to receive financial aid** for not meeting Satisfactory Academic Progress (SAP) standards and have extenuating circumstances beyond their control may submit a SAP Appeal to the Office of Financial Aid and Scholarships. Here are some examples of conditions that may be considered: Death of a family member, your own serious illness or injury, approved medical withdrawal, compulsory military duty, and extreme personal hardship.

Appeals will NOT be viewed favorably, for reasons such as: Situations that could have been anticipated, dissatisfaction with course materials or instructor, lack of motivation, change in majors, participation of extracurricular activities, or unit overload.

For more details, please refer to the [SAP Policy](#).

Special Note: Appeal review may take a minimum of 3 to 4 weeks. You will be notified by email of our decision. **If additional documentation is requested, you must resubmit ALL documents for review.** If you have registered or intend to register for classes, you are still responsible for paying your registration fees by the payment deadline.

Appeal Instructions and Deadlines: All appeals must be submitted no later than 21 days from the end of the term you are requesting consideration for aid re-instatement. Appeals submitted after or incomplete will not be considered. Deadline dates for 2025-2026 are as follows: Fall 2025 deadline: **November 11, 2025**, Spring 2026 deadline: **April 18, 2026**, Summer 2026 deadline: **July 21, 2026**.
