

## Master of Social Work / Master of Public Administration Concurrent Degrees Program

### Plan of Study | Fall 2026

The Plan of Study is a sample schedule for students in the MSW/MPA Public Administration Concurrent Degrees Program. Once admitted to the MSW/MPA Public Administration Concurrent Degrees program, students will complete a Proposed Plan of Study that will outline semester by semester of the courses required to complete.

Students will select one of the sample schedules below depending on student's MSW Program: two-year or three-year model. The social work courses must be taken in the required order shown in the sample plans. Some MPA courses (PA 6110, PA 6640, & PA 6720) are already in the samples. PA 6110 must be the **first** PA course taken. It is placed in the first year, spring semester as a suggestion, but some students have taken it first semester. PA 6550 should be the **last** PA course taken.

Each student decides how to fit in the remaining required MPA courses (listed at the end of this document). MPA courses are offered each semester, and some are offered in the summer. **Students may take MPA courses each semester or selected semesters or wait to complete the additional MPA coursework in subsequent semesters beyond the 2 or 3 MSW year plans.** It is up to the student to determine the workload that suits them.
