LETTER FROM THE CHANCELLOR

Dear Class of 2025:

As we celebrate your accomplishments today, I hope you'll take a moment to consider how much you've changed since you first set foot on campus. In your time at the California State University, you have transformed yourself from someone with big dreams on a quest for knowledge into a person empowered to make limitless contributions to our world.

This transformation was inspired, supported and admired by your family, friends, colleagues and loved ones, who have cheered you on through your academic journey. It was spurred by your faculty, who have helped you develop a critical eye and a creative mind. And it was reinforced by the work of your counselors, advisors, librarians, tutors and coaches, who fostered an encouraging environment for you to persist, thrive and succeed.

You have filled all of us with pride.

You are now part of a vibrant network of well over four million CSU alumni who are powering California, the nation and the world. Together, you will solve our greatest challenges, educate the next generation, fight for democracy and a more just society, and enrich our workforce and communities with your talents.

As you continue on your exciting path forward, please stay connected to your alma mater and to the CSU. I hope you will use your connections – both to your campus and to other CSU alumni – to open new doors of possibility and to make a meaningful impact in your chosen field. I also encourage you to reach back often to support those who aspire to follow in your footsteps.

Today's event is called "commencement" for a reason. It is not an end, but rather the beginning of your next great pursuit. May your hard work and sacrifices lead to happiness, prosperity and deep fulfillment, both in your life and in the lives of those around you.

Congratulations, California State University Class of 2025. We can't wait to see all that you will accomplish.

Sincerely,

A handwritten signature in black ink that reads "Mildred García". The script is elegant and cursive, with the first letters of the first and last names being capitalized and prominent.

Mildred García, Ed.D.

Chancellor

LETTER FROM THE PRESIDENT

Dear Graduates:

Congratulations, and welcome to the 2025 California State University, San Bernardino Spring Commencement at the Toyota Arena in Ontario. I am excited to join you all at our ceremonies on May 16 and 17, honoring those graduating from the College of Arts & Letters, Jack H. Brown College of Business and Public Administration, James R. Watson and Judy Rodriguez Watson College of Education, College of Natural Sciences and College of Social & Behavioral Sciences.

We are grateful that we can celebrate today, together with family and friends, the significant milestone Commencement represents. You have all worked incredibly hard, and your commitment and persistence have paid off. Attaining a college degree is a defining achievement that serves as a source of inspiration and satisfaction, made all the more special if you are the first in your family to graduate from college.

As you have pursued your degree at CSUSB, you've grown intellectually, creatively and professionally. You've had the opportunity to explore new paradigms, disciplines and cultures; to discover and create meaning in new ways; and to apply a variety of perspectives to problem solving. These are noteworthy accomplishments, and they will always be yours and part of your personal history.

You are here today as the direct result of your focus and dedication. These qualities will serve you well into the future as you establish a life filled with rewarding work along with engagement in your community and the wider world. You can take great pride in this success as you join over 130,000 other distinguished alumni who call CSUSB their alma mater and who are using their talents to make a difference.

It is my distinct honor to congratulate you in person as you walk across the stage today, and to applaud your extraordinary achievements. I wish you the very best as you move on to pursue your personal and professional aspirations.

A handwritten signature in black ink, appearing to read 'TDM', with a stylized flourish extending from the end.

Tomás D. Morales

President

COMMENCEMENT SYMBOLISM AND TRADITION

Academic Regalia

Academic ceremonies with their gowns, mortarboards, tassels and hoods are colorful traditions handed down from European universities of the 14th century. Academic regalia have evolved from the robes, hoods and caps worn mainly for warmth in unheated buildings by the clerics, monks and priests who were the first students.

United States universities now have standardized the academic regalia so that their features are common throughout the country. The gown is ordinarily black for academic degrees. The pattern of the sleeves varies with the degree: short sleeves for the master's degree and round full sleeves for the doctoral degree. The bachelor's and master's gowns have no trimmings. The doctoral gown is faced down the front with black velvet and three bars of the same material across the sleeves. The color of the velvet on the sleeves also could be the color of the subject in which the degree was earned.

The hood usually is not worn for the bachelor's degree. The master's hood is shorter and lacks the panels of the doctor's hood. The silk lining of the hood bears the colors of the institution from which the individual has graduated. The velvet binding or edging of the hood designates the academic major in which the wearer has taken his or her degree.

The field of study is indicated by the color of the velvet facing on the hood of all master's and doctoral degree holders.

Official Colors

The field of study is indicated by the color of the velvet facing on the hood of all master's and doctoral degree holders.

Some examples of doctoral hoods are listed below:

Arts and Letters	White
Business Administration	Drab
Education	Light Blue
Computer Science	Gold
Sciences	Yellow
Public Administration	Peacock Blue
Nursing	Apricot

Fields of study for the master's degrees offered at CSUSB are:

Master of Arts	White
Master of Fine Arts	Brown
Master of Business Administration	Drab
Master of Criminal Justice	Purple
Master of Education	Light Blue
Master of Public Administration	Peacock Blue
Master of Natural Sciences	Gold
Master of Social and Behavioral Sciences	Citron
Master of Social Work	Citron

The University Mace

The university mace is a ceremonial symbol of authority carried in academic processions at commencements. Originating in the Middle Ages, it once was a formidable weapon, held ready to protect the person of dignity.

The Cal State San Bernardino mace was designed and fashioned by Mark Petherbridge, B.A., art, 1985, with technical supervision from Roger Lintault, professor emeritus of art, 2000.

ALMA MATER

By Loren Filbeck, D.M.A.
Professor Emeritus of Music

Beneath the shimm'ring mountains,
Near sea and desert sand,
Our Alma Mater stands secure,
Truth's light held in her hand.
Her youth and energy we share
As we reach t'ward wisdom's door,
Her name we laud and gladly bear,
With pride our spirits soar.
San Bernardino, our Alma Mater,
We sing our praise to thee.
San Bernardino, as sons and daughters
We pledge faith and loyalty.

UNIVERSITY-WIDE HONORS AND DISTINCTIONS

Cum Laude, Magna Cum Laude and Summa Cum Laude

University honors at graduation are awarded to undergraduate students in three classifications based on all courses taken at California State University, San Bernardino and other institutions of higher learning. The minimum grade-point averages for recognition are: Summa Cum Laude 3.9, Magna Cum Laude 3.75 and Cum Laude 3.5. Candidates for degrees are listed with honors based upon their grade-point averages at the conclusion of the summer/spring quarters for degree purposes. Students who have earned university honors through winter are eligible to wear honors cords as a special mark of the distinction they have achieved.

Departmental Honors

Candidates who have earned Departmental Honors wear various color cords as a special mark of the distinction they have achieved.

CITATION FOR PAUL C. GRANILLO

Honorary Doctorate of Humane Letters

*California State University, San Bernardino
Commencement, May 17, 2025*

A distinguished alumnus of Cal State San Bernardino, Paul C. Granillo has exemplified leadership, loyalty and public service throughout his career. His commitment to CSUSB is evident in his longstanding service on the Board of Directors of the CSUSB Philanthropic Foundation, for which he is now a member emeritus, and in his role as an advisor to the dean of the Jack H. Brown College of Business and Public Administration. Mr. Granillo has been a steadfast advocate for the university, amplifying CSUSB's voice in public forums and in the media with unwavering support.

Since 2010, Mr. Granillo has served as president and CEO of the Inland Empire Economic Partnership (IEEP), a network dedicated to promoting economic competitiveness, educational attainment, job creation, quality of life and governmental responsiveness in San Bernardino and Riverside counties. Under his leadership, IEEP has developed a strong public policy presence at the local, state and federal levels, ensuring that the voices and needs of residents of the Inland Empire are effectively represented, and working to develop the next generation of public and private-sector leaders across the region.

Mr. Granillo's public service extends across numerous boards and initiatives, including the Regional Economic Association Leaders of California, the Campaign for College Opportunity, the Public Policy Institute of California's Statewide Leadership Council, the William and Barbara Leonard Transportation Center, the Californians Dedicated to Education Foundation, Mobility 21, UnidosUS, and the Southern California Association of Governments. He also serves on the Board of Trustees for the Riverside Art Museum and the Cheech Marin Center for Chicano Art and Culture.

In recognition of his community leadership, his accomplishments and his tireless support of the university, the Board of Trustees of the California State University and California State University, San Bernardino are proud to confer upon Paul C. Granillo the honorary degree of Doctor of Humane Letters.

CITATION FOR MARY JANE MCCOY

Honorary Doctorate of Humane Letters

*California State University, San Bernardino
Commencement, May 17, 2025*

Mary Jane McCoy had a long career as an educator in the Inland Empire, serving as an elementary school teacher and a principal in both San Bernardino and Riverside counties. As a charter member of the National Sorority of Phi Delta Kappa, Inc., an international teachers' sorority, she served as the national president of its philanthropic arm. In this role, she helped direct the Perpetual Scholarship Foundation, which provides funds to five regions yearly, allowing students from the San Bernardino region to attend Cal State San Bernardino.

Upon her retirement from the San Bernardino City Unified School District in 1992, Ms. McCoy relocated to Spokane, Washington, where she served with the One Spokane Program, which was commissioned to find ways to save energy in the area. She was also appointed by then-Governor Christine Gregoire to serve on a committee that advocated for community colleges in Spokane to receive state funds for programs supporting displaced homeless individuals.

In 2016, Ms. McCoy was honored at CSUSB's Pioneer Breakfast, hosted by the CSUSB Black Faculty, Staff and Student Association, as one of only three African American students who were part of the university's first graduating class in 1967, when she received her bachelor's degree in history. In 2017, Ms. McCoy established an endowed scholarship that provides books, housing, tutoring and tuition assistance, enabling CSUSB students to complete their graduation requirements. She was inducted into the CSUSB Alumni Hall of Fame as the 2023 College of Social and Behavioral Sciences Paw Prints Award Winner for her decades of dedicated leadership, service and generosity to the educational community.

In recognition of her many accomplishments and extensive contributions to the university and to the people of the Inland Empire, the Board of Trustees of the California State University and California State University, San Bernardino are proud to confer upon Mary Jane McCoy the honorary degree of Doctor of Humane Letters.
