

DOCTORAL DEGREE PLANNING RESOURCES

CONCEPTUAL PROPOSAL FOR UC REVIEW OF CSU PROFESSIONAL AND APPLIED DOCTORAL PROGRAMS

CSU Proposed Degree Information, Campus Information, and Contact Information

Title of Projected Doctoral Degree	
Degree Designation (e.g., EdD)	
Proposed CIP Code	
Projected Implementation Date (1 st Cohort Enrolled)	
Campus	
College	
Department	
Contact Name(s) and Email(s)	

Curricular and Academic Elements

1. Provide a summary of the purpose for and a description of the proposed doctoral degree, including targeted audience(s).
2. Describe how the proposed doctoral curriculum is advanced beyond a master's degree to justify a new professional and/or applied doctorate, distinct from a UC doctoral program.
3. Describe the admission criteria for the proposed doctoral degree (including undergraduate preparation).

Appendix A

1. **Doctoral Program Roadmap.** Provide a doctoral program roadmap serving as a visual representation of the pathway by term of program requirements, including the sequence of completing courses and any offsite, internship, and/or culminating requirements, and the total units per term and total overall units for the program.

2. **Postgraduate Professional Job Objectives**

- Describe relevant statewide workforce demands for the proposed doctoral program.
- Describe employment opportunities for the proposed doctoral program.
- If applicable, describe the national or state-wide professional accreditation/certified licensure(s) and how the accreditation/licensure(s) will be aligned to the proposed doctoral degree title.

3. **Analysis of potential UC duplicate doctoral degree programs.** Complete the table below.

Title of CSU Proposed Doctoral Program:

UC Campus	Degree Duplication (Yes/Potential/No)	UC Degree Title and Designation	UC Website(s) reviewed and date accessed
Berkeley			
Davis			
Irvine			
Los Angeles			
Merced			
Riverside			
Santa Barbara			
Santa Cruz			
San Diego			
San Francisco			

Provide a summary of your analysis. If there is a potential for duplication, please contact app@calstate.edu for advice.
