

J-1 STUDENT CHECKLIST

THE PURPOSE OF THE EXCHANGE VISITOR PROGRAM

The J-1 exchange program has two purposes:

1. It allows students to study at a U.S. Institution; *or*
2. It allows students to experience U.S. life and culture.

Students can study at CSUSB under a J-1 visa, for a semester, an academic year, or a degree program. The circumstances by which a student can stay are generally agreed upon by the student's home University.

OBTAIN YOUR TRAVEL DOCUMENTS

- Pay your [Department of Homeland Security Form I-901](#) - Regulations require that all prospective "J" visiting scholars pay the I-901 Student and Exchange Visitor Information System (SEVIS) fee before the Department of State issues you a visa. ***Don't forget to print your receipt.***
- Apply for a Visa to Travel to the United States - Follow the instructions at the website of the embassy or consulate where you will apply for a visa. After you receive your visa, check to see that you received the right type of visa and that your name and date of birth are correct and match the information in your passport. If anything is incorrect, you will have to ask the embassy or consulate to correct your visa before you travel.

PREPARE FOR YOUR TRIP TO THE UNITED STATES

Before you leave for the United States, make sure you have all the required documentation, including:

- Passport
- Visa
- Form DS-2019
- I-901 receipt

It is always a good idea to always carry your original documents with you. Do not put them in your checked baggage. It is also a good idea to make at least two sets of copies of these documents: one digital copy and one copy to give to your school officials.
