LETTER FROM THE CHANCELLOR

Dear Class of 2026:

Today marks both the end of your time with the California State University and the start of an exciting new chapter. Along with the degree you worked so hard to earn, you have gained knowledge, skills and connections that I know will take you far.

Your accomplishment is celebrated today by so many people, including those who supported you on this journey: your family, friends and all those whose love sustained you; the faculty who trained you to look at the world with a critical eye and an open mind; and the counselors, advisors, librarians, tutors and coaches who together created an encouraging environment for you to succeed and to thrive.

You have made all of them, and me, extraordinarily proud.

As you face new opportunities in the days ahead, you will do so empowered by your membership in a vibrant global network of more than four and a half million CSU alumni. Together, you are certain to enrich our workforce and communities. After all, CSU alumni (like you!) have so much to contribute, whether it is exploring solutions to society's greatest challenges, working to educate and inspire the next generation or powering the fight for democracy and a more just world.

No matter the path you choose, please stay connected to your alma mater and to the CSU. Your connections – both to your campus and to other CSU alumni – are powerful tools that can help to open new doors of possibility. Likewise, I encourage you to offer support to all those who aspire to follow in your footsteps in pursuit of a CSU degree.

You begin writing your next chapter today – and I wish you every success. May your hard work and creativity lead to happiness, prosperity and deep fulfillment, both in your life and in the lives of those around you.

Felicitades, California State University Class of 2026! I can't wait to see all that you will accomplish.

Warmly,

A handwritten signature in black ink that reads "Mildred García". The signature is written in a cursive, flowing style.

LETTER FROM THE PRESIDENT

Dear Graduates:

Congratulations, and welcome to the 2026 California State University, San Bernardino Spring Commencement at the Toyota Arena in Ontario. I am excited to join you all at our ceremonies on May 15 and 16, honoring those graduating from the College of Arts & Letters, Jack H. Brown College of Business and Public Administration, James R. Watson and Judy Rodriguez Watson College of Education, College of Natural Sciences and College of Social & Behavioral Sciences.

We are grateful that we can celebrate today, together with family and friends, the significant milestone Commencement represents. You have all worked incredibly hard, and your commitment and persistence have paid off. Attaining a college degree is a defining achievement that serves as a source of inspiration and satisfaction, made all the more special if you are the first in your family to graduate from college.

As you have pursued your degree at CSUSB, you've grown intellectually, creatively and professionally. You've had the opportunity to explore new paradigms, disciplines and cultures; to discover and create meaning in new ways; and to apply a variety of perspectives to problem solving. These are noteworthy accomplishments, and they will always be yours and part of your personal history.

You are here today as the direct result of your focus and dedication. These qualities will serve you well into the future as you establish a life filled with rewarding work along with engagement in your community and the wider world. You can take great pride in this success as you join over 131,000 other distinguished alumni who call CSUSB their alma mater and who are using their talents to make a difference.

It is my distinct honor to congratulate you in person as you walk across the stage today, and to applaud your extraordinary achievements. I wish you the very best as you move on to pursue your personal and professional aspirations.

COMMENCEMENT SYMBOLISM AND TRADITION

Academic Regalia

Academic ceremonies with their gowns, mortarboards, tassels and hoods are colorful traditions handed down from European universities of the 14th century. Academic regalia have evolved from the robes, hoods and caps worn mainly for warmth in unheated buildings by the clerics, monks and priests who were the first students.

United States universities now have standardized the academic regalia so that their features are common throughout the country. The gown is ordinarily black for academic degrees. The pattern of the sleeves varies with the degree: short sleeves for the master's degree and round full sleeves for the doctoral degree. The bachelor's and master's gowns have no trimmings. The doctoral gown is faced down the front with black velvet and three bars of the same material across the sleeves. The color of the velvet on the sleeves also could be the color of the subject in which the degree was earned.

The hood usually is not worn for the bachelor's degree. The master's hood is shorter and lacks the panels of the doctor's hood. The silk lining of the hood bears the colors of the institution from which the individual has graduated. The velvet binding or edging of the hood designates the academic major in which the wearer has taken his or her degree.

The field of study is indicated by the color of the velvet facing on the hood of all master's and doctoral degree holders.

Official Colors

The field of study is indicated by the color of the velvet facing on the hood of all master's and doctoral degree holders.

Some examples of doctoral hoods are listed below:

Arts and Letters	White
Business Administration	Drab
Education	Light Blue
Computer Science	Gold
Sciences	Yellow
Public Administration	Peacock Blue
Nursing	Apricot

Fields of study for the master's degrees offered at CSUSB are:

Master of Arts	White
Master of Fine Arts	Brown
Master of Business Administration	Drab
Master of Criminal Justice	Purple
Master of Education	Light Blue
Master of Public Administration	Peacock Blue
Master of Natural Sciences	Gold
Master of Social and Behavioral Sciences	Citron
Master of Social Work	Citron

The University Mace

The university mace is a ceremonial symbol of authority carried in academic processions at commencements. Originating in the Middle Ages, it once was a formidable weapon, held ready to protect the person of dignity.

The Cal State San Bernardino mace was designed and fashioned by Mark Petherbridge, B.A., art, 1985, with technical supervision from Roger Lintault, professor emeritus of art, 2000.

ALMA MATER

By Loren Filbeck, D.M.A.
Professor Emeritus of Music

Beneath the shimm'ring mountains,
Near sea and desert sand,
Our Alma Mater stands secure,
Truth's light held in her hand.
Her youth and energy we share
As we reach t'ward wisdom's door,
Her name we laud and gladly bear,
With pride our spirits soar.
San Bernardino, our Alma Mater,
We sing our praise to thee.
San Bernardino, as sons and daughters
We pledge faith and loyalty.

UNIVERSITY-WIDE HONORS AND DISTINCTIONS

Cum Laude, Magna Cum Laude and Summa Cum Laude

University honors at graduation are awarded to undergraduate students in three classifications based on all courses taken at California State University, San Bernardino and other institutions of higher learning. The minimum grade-point averages for recognition are: Summa Cum Laude 3.9, Magna Cum Laude 3.75 and Cum Laude 3.5. Candidates for degrees are listed with honors based upon their grade-point averages at the conclusion of the summer/spring quarters for degree purposes. Students who have earned university honors through winter are eligible to wear honors cords as a special mark of the distinction they have achieved.

Departmental Honors

Candidates who have earned Departmental Honors wear various color cords as a special mark of the distinction they have achieved.

CITATION FOR YOLANDA T. MOSES

Honorary Doctorate of Humane Letters

*California State University, San Bernardino
Commencement, May 15, 2026*

Yolanda T. Moses is a well-known and widely respected Cal State University distinguished alumna, national leader in higher education and renowned anthropologist. She retired from the University of California, Riverside (UCR) in 2023, after 25 years as professor of anthropology and associate vice chancellor for Diversity, Equity, and Excellence. Before joining UCR, she served as president of The City College of New York (1993–1999) and the American Association for Higher Education (2000–2003) and held a senior research appointment at George Washington University. Her career continues to inspire generations of

scholars and leaders who share her vision of equity through education.

An acclaimed anthropologist, Dr. Moses' research has explored the roots of social inequality and the intersections of race, gender and class across the Caribbean, East Africa and the United States, as well as diversity and change in global higher education. Her books include "Race: Are We So Different?" (2019) and "How Real Is Race?" (2007, 2012).

A national leader in higher education and anthropology, Dr. Moses has served as president of the American Anthropological Association, chair of the American Association of Colleges and Universities, and advisor to major diversity initiatives. Her achievements have earned widespread recognition, including the Franz Boas Lifetime Achievement Award from the American Anthropological Association (2016), election as a Fellow of the American Association for the Advancement of Science (2009) and a Fulbright Distinguished Chair Fellowship at the University of Sydney (2017).

A proud graduate of Cal State San Bernardino, she earned her B.A. in sociology before completing her M.S. and Ph.D. in anthropology at UCR. She has also been a fellow with the Andrew Mellon Foundation, Harvard University and the Salzburg Global Seminar.

A steadfast advocate for her alma mater, Dr. Moses has served on the CSUSB Philanthropic Foundation Board and Community-University Partnership and established the Yolanda T. Moses Scholarship Endowment supporting graduate students in the College of Social and Behavioral Sciences.

In recognition of her many accomplishments and extensive contributions to the university and the community, the Board of Trustees of the California State University and California State University, San Bernardino are proud to confer upon Dr. Yolanda T. Moses the honorary degree of Doctor of Humane Letters.

CITATION FOR WILLIAM M. STEVENSON

Honorary Doctorate of Humane Letters

*California State University, San Bernardino
Commencement, May 16, 2026*

William M. Stevenson is an alumnus, business professional and dedicated supporter of Cal State San Bernardino. He brings with him more than 30 years of experience in commercial banking and small business lending. Before retiring in 2018 from Community Bank in Pasadena as first vice president and manager of Small Business Lending, he held leadership roles, including credit officer, relationship manager, branch manager, team leader and chief lending officer. His career reflects steady professional achievement and a commitment to mentoring business owners and entrepreneurs.

In addition to his banking career, Mr. Stevenson has served as an adjunct professor of finance at CSUSB, the University of La Verne and UC Riverside. He is also the founder and president of Full Speed Ahead, a financial literacy company that helps individuals and small- to mid-sized business owners build practical financial and management skills. As the author of Good Company, Smart Company, Jump Start and other financial literacy presentations, he has coached and mentored countless entrepreneurs in sound financial decision-making.

An active supporter of Cal State San Bernardino, he has served on the CSUSB Philanthropic Foundation Board since 2012, becoming board chair in 2022 after serving as vice chair, and contributing to the Executive, Investment and Audit Committees. He has also served as president of the CSUSB Alumni Association Board and as a member of the Jack H. Brown College Advisory Board.

A proud CSUSB alumnus (bachelor's degree, business and marketing, '84), Mr. Stevenson also earned an MBA in Finance from the University of La Verne. In 2024, he was inducted into the CSUSB Alumni Hall of Fame as the recipient of the Coyote Spirit Award.

In recognition of his many accomplishments and extensive contributions to the university and the community, the Board of Trustees of the California State University and California State University, San Bernardino are proud to confer upon William M. Stevenson the honorary degree of Doctor of Humane Letters.
