Notes on this concentration:

Last modified11/25/2025

No core course in the BA in Administration can double count for the General Business concentration.

Up to 6 units can double count in both the General Business concentration and another concentration within the BA in Administration program.

Up to 6 units accepted from a non-JHBC major if you are changing majors to the BA in Administration program.

Students completing all requirements for a non-JHBC major can have all 18 units in the General Business concentration waived when adding the BA in Administration as a second major.
