The roadmap is an academic planning resource. Students should refer to their PAWS Report and Academic Catalog for graduation requirements.

HSCI4089: Must complete all lower division courses (1000-2000) prior to enrolling in this course

Can not enroll in HSCI 4089 and HSCI 5753 simultaneously.

Students will need permission from their HSA faculty advisor to enroll in HSCI 4089 and HSCI 5753

If you received transfer credit for HSCI 1200, you only need to take HSCI 1200L. Please follow up with the HSA Program Coordinator.
