

**Bachelor of Science - Natural Science - Science and Society Concentration**  
**Transfer Academic Roadmap**

| Year 1: Junior Year                      |               |                          |       | Year Total                                      |               |                      |       | 33 |
|--|---------------|--------------------------|-------|---|---------------|----------------------|-------|----|
| Fall Semester                            | Terms Offered | Prerequisite Courses     | Units | Spring Semester                                 | Terms Offered | Prerequisite Courses | Units |    |
| BIOL Series (Group A or B)               | Fall & Spring | Varies                   | 5     | BIOL Series II (Group C, D, or E)               | Fall & Spring | Varies               | 5     |    |
| GEOL 3020 or GEOL 3040 (UD GE)           | Fall & Spring |                          | 3     | Other GE UD-5 Elective course not already taken | Fall & Spring |                      | 3     |    |
| NSCI 2300                                | Fall          |                          | 1     | Core General Science UD Elective                | Fall & Spring | Varies               | 3     |    |
| PHYS 2000 & 2000L (or PHYS 2500 & 2500L) | Fall & Spring | MATH 1601 (or MATH 2210) | 5     | PHYS 2010 & 2010L (or PHYS 2510 & 2510L)        | Fall & Spring | Varies               | 5     |    |
| Free Elective                            | Fall & Spring |                          | 2     | NSCI 3300                                       | Fall          | NSCI 2300            | 1     |    |
| Semester Total                           |               |                          |       | Semester Total                                  |               |                      |       | 17 |

  

| Year 2: Senior Year                           |               |                      |       | Year Total                                 |               |                      |       | 27 |
|---|---------------|----------------------|-------|--|---------------|----------------------|-------|----|
| Fall Semester                                 | Terms Offered | Prerequisite Courses | Units | Spring Semester                            | Terms Offered | Prerequisite Courses | Units |    |
| Other GE B5 Elective course not already taken | Fall & Spring |                      | 3     | Gen. Science UD Elective not taken in core | Fall & Spring | Varies               | 3     |    |
| Gen. Science UD Elective not taken in core    | Fall & Spring | Varies               | 3     | NSCI 4300                                  | Spring        | NSCI 3300            | 2     |    |
| General Education (UD)                        | Fall & Spring |                      | 3     | General Education (UD)                     | Fall & Spring |                      | 3     |    |
| Free Elective                                 | Fall & Spring |                      | 4     | Free Elective                              | Fall & Spring |                      | 3     |    |
| Semester Total                                |               |                      |       | Semester Total                             |               |                      |       | 14 |
| Degree Units Total                            |               |                      |       |  |               |                      |       | 60 |

The roadmap is an academic planning resource. Students should refer to their PAWS Report and Academic Catalog for graduation requirements.

This roadmap assumes students completed the following sequences at their previous institution: Pre-Calculus, Statistics, General Biology (one semester), General Chemistry with lab (1 year sequence).

If a student wants to take Biology Group B for the Biology Group I Series, they must have taken the equivalent of the Chem Group B series.
