The roadmap is an academic planning resource. Students should refer to their PAWS Report and Academic Catalog for graduation requirements.

This roadmap plans for courses to be completed at PDC. Students may also take classes in person or online at the San Bernardino Campus.

This roadmap assumes students have completed the following courses at their previous institution: Anatomy and Physiology, Microbiology, 1 year General Chemistry, Intro to Psychology or Intro to Sociology, 1 Semester Statistics

NCSD courses are only offered once per year. It is important to follow MyCap plan developed by the DPD Direcotr for faculty advisor
