Blended Program Advisor or Faculty Sponsor Approval

With my signature below, I am confirming that:

- The student is now eligible to be switched into the graduate program career with 120 applicable units.
- The department advised the student about the master's program requirements and degree completion time limit.
- The department advised the student the career switch into "graduate" means they must pay graduate tuition/fees and financial aid eligibility will be based on graduate student status, starting with the start term for graduate record listed on this form.

Student Acknowledgement

- With my signature below, I am confirming that:
- I am now eligible to be switched into the graduate program career with 120 applicable units.
- I understand the master's program requirements and degree completion time limit.
- The career switch into "graduate" means I must pay graduate tuition and fees.
- Financial Aid eligibility is dependent on my financial aid application (FAFSA/CA Dream Act), graduate enrollment status, starting with the start term for graduate record listed on this form.
- DSS students need to notify DSS of their change to graduate status.
- International students should confirm eligibility with ISS.
