****For a list of Interest Packs events, check the interest pack calendar on the Coyote Experience office website.**

- **Attending Interest Pack Events**
- Help students learn about their strengths and interests.
 - It also allows students to network and experience activities that can be used during networking events and interviews.

- **Graduation Milestones:**
- Complete at least one internship, attend two career fairs, participate in Interest Pack events each semester
 - Engage in college signature events and secure employment or graduate school placement.
