- Pull a fire alarm in the area.

Attempt to put out the fire with an extinguisher if it is safe to do so. Always evacuate the building when the fire alarm is activated and there is an immediate threat to safety.

Procedures for student housing evacuation (all student housing will adhere to the following procedure):

- Fire alarm goes off and/or is pulled
- Vacate the building immediately via the nearest stairwell and proceed at least 100 feet outside the building; specific evacuation locations provided in Resident Handbook

 - date the fire was reported;
 - the nature of the fire;
 - the date and time of the fire; and
 - the general location of the fire.
- The Fire Log is maintained by the University Police, and is available to the public on the within the “Daily Crime/Fire Log Bulletin” for 60 days via the following link:
<https://csusbpd.citizenrims.com/map> .
- Any portion of the log older than 60 days is available within two business days of a request for public inspection. Copies of the Fire Log may be obtained from UPD during business hours.
