# Internship Search Resources

## Area

### *Judiciary and Law*

- Court reporting/transcription services
- Court clerkship
- Security
- Legal assistance
- Legal research
- Administration
- Legal representation

## Employers

- Government agencies:
  - Department of Social Services
  - Department of Justice
  - Department of Treasury
  - Department of Defense
- Local, state, and federal courts
- Law firms
- Corporate legal departments
- Public interest law organizations
- Self-employed

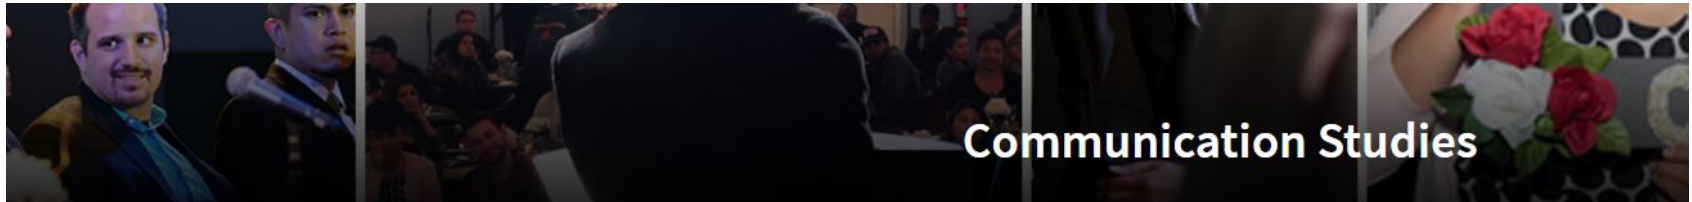

## Strategies

- Develop strong research, computer, and writing skills.
- Consider a double major or minor in the humanities such as English, philosophy, or history as these build strong writing skills.
- Attend a post-secondary vocational or technical college that offers court reporting (CR) or Paralegal (CLA) certification programs.
- Join a research group and learn to use software packages for research positions.
- Seek opportunities to observe courtroom proceedings and become familiar with the legal system.
- Participate in mock trial groups.
- Maintain a high GPA and secure strong faculty recommendations to gain admittance to law school.
- Research admissions requirements for individual institutions.
- Obtain a law degree from a law school accredited by the American Bar Association (ABA).

## Internships

*Comm 591 (undergraduate) / Comm 697 (graduate)*

An internship is an excellent way for students to gain hands-on experience in the field of their choice. It provides an opportunity to put classroom theory into practice giving students an edge after graduation.

# Focus your Search

Think about these questions below.

1. Which semester would you like your internship to take place?
2. What location would you ideally want?
3. Are you looking for paid, academic, unpaid internships?
4. Is there a specific industry you want to be in?
5. Is there a specific functional area?

# How can we support your internship Search?

- Resume Builder-Hiration
- Job / Internship Search
- Career Events / Meeting Employers
- Mock Interviews

# Next steps:

- ❑ Resume Review – make an appointment!
- ❑ Decide which internship search databases and strategies you will use
- ❑ Determine how many position you will apply to per week (Don't Binge!)
