

New CAPE Blended Program Coordination and Student Support Questions

Attach this form to the blended program P-form with the responses to 1 and 2 below.

1. Explanation of Advising and Student Support *

Describe the academic advising and student support provided to students as they matriculate through the blended program, including how students are guided from admission through degree completion.

2. Description of Blended Program Assessment *

If not already done in a unique blended program P-form, describe how your campus plans to assess the blended program and how this assessment will inform continuous improvement of the blended pathway.
