MyCoyote Self-Service Login & Password FAQ

For more information, and additional technical details, please see

- If you know your Coyote ID but forgot your Password and need to reset it, please visit the [IDMS Forgot Password](#) reset page.
- If you are an administrative user and your password expired, please visit the [IDMS Expired Password](#) reset page.
- If you have locked yourself out of IDMS site, please submit your request to [Technology Support Center](#).

1. I'm a new applicant for Admissions. Why haven't I received MyCoyote self-service account User ID and password yet?

It can may take several two weeks following receipt of your application for Admissions to send you your User ID and password. This will be sent by e-mail or postal mail, depending upon the contact information provided. If you still have not received your login information after three weeks of submitting your application, we strongly recommend that you call or e-mail [Admissions](#) to confirm your contact information.

2. I'm a new applicant for Admissions. Why doesn't my login information work when I try to log into CSU Mentor?

CSU Mentor is a site that handles applications for all CSU campuses and is not maintained by CSUSB. It has its own login information -- usually this consists of your e-mail address and a random assigned number. If you need help logging into CSU Mentor, please contact their support staff at E-mail: support@CSUMentor.edu or U.S. Toll-Free Hotline: 1-800-GO-TO-XAP or [CSU Mentor](#) and select technical support.

3. Where can I find information about resetting MyCoyote Password?

If you are an **administrative user** and forgot your Password and need to reset it, please call the Technology Support Center(776777) for assistance.

If you are a **student or applicant** and forgot your MyCoyote Password and need to reset it, please visit the [IDMS Forgot Password](#) reset page. If you have locked yourself out of the password reset site, please submit your request to [Technology Support Center](#).

4. Why, after I log in, do none of the links I click on do anything?

This problem can be caused by a number of things. First, it may take about a minute for the links to work the first time. If after a minute, you still see no results, you may be using an incompatible web browser. Check our [System & Browser Requirements](#) page. If you are using a compatible browser, you may need to clear out your cache and cookies and restart. For instructions, please check our [Cache & Cookies](#) page.

5. Why do I get a message that says I am not authorized to view this page?

If you are receiving the "Not Authorized" message after logging into the portal, simply close your current browser window and then bring up a new browser window to log back in. That should correct the problem. If the problem persists, please empty your cache (delete your temporary Internet files) and restart. For instructions, please check our [Cache & Cookies](#) page.

6. I can log in, but as soon as I click on anything, I get logged out and it tells me to log in again.

If you're getting automatically logged out after clicking on a link, your account may be locked. Please submit your request to [Technology Support Center](#) and we can check this for you.

7. Why am I getting a message that my Portal session has expired?

This problem can occur if your computer's date and time are set incorrectly. Please check your system to make sure it is set to the correct date, time, and time zone. Also, if your computer has a checkbox to automatically update for daylight savings time, this should be checked. If the time, date, and time zone are correct, you may need to clear out your cache and cookies and restart. For instructions, please check our help pages.

CSU makes every effort to keep student costs to a minimum. Fees listed in published schedules or Student Accounts may need to be increased when public funding is inadequate. Therefore, CSU must reserve the right, even after initial fee payments are made, to increase or modify any listed fees, without notice, until the date when instruction for a particular semester or quarter has begun. All CSU listed fees should be regarded as estimates that are subject to change upon approval by The Board of Trustees.

SPRING 2018 FINAL EXAMINATION SCHEDULE

JUNE 13 - 16, 2018

A final examination has been scheduled for each class. In courses extending over more than one term, the examination in the concluding term may also cover work done in the preceding term or terms. Examinations may not be taken before or after the scheduled period nor may the time of an examination be changed without authorization by the corresponding college Dean. Permission to take a final examination with a different section of the same course may be granted by the appropriate college Dean with the consent of the instructors concerned. Failure to take or to pass any final or other course examination will result in such deficiencies as instructors may assign.

The final examination for classes meeting at times other than those listed will be arranged by the instructor and will take place during the time period of June 13 - 16, 2018.

CHICANO(A)/LATINO(A) STUDIES

College of Social and Behavioral Sciences
(909) 537-5512, SB-445
<http://ethnic.csusb.edu/>

Coordinator: Dr. Elsa Valdez

Chicano(a)/Latino(a) Studies provides an interdisciplinary curriculum and is designed to provide an awareness, knowledge, and appreciation of the Chicano(a)/Latino(a) experience. The minor addresses issues of language, history, culture, politics, economics, education, immigration and the creative expression of the Chicano(a)/Latino(a) presence in the United States. This new minor will greatly enrich any student's undergraduate degree. Its goal is to extend knowledge relevant to this growing ethnic group by examining its experiences in a social context and its interdependence with other populations by addressing interracial, intercultural, and international understanding. This new minor provides students with an essential understanding of the Chicano(a)/Latino(a) culture and will enable them to succeed in a diverse society. The minor is housed in the Ethnic Studies Program, which also has a new concentration in Chicano(a)/Latino(a) Studies. For more information, please call Elsa Valdez (Ethnic Studies Coordinator, Professor Elsa Valdez at 909-537-5512 or call the Dean's office in the College of Social and Behavioral Sciences at 909-537-7500.

Spring 2018

CHICANO(A)/LATINO(A) STUDIES**Liberal Studies: General Track with a concentration in Chicano(a) Studies**

The Bachelor of Arts in Liberal Studies is a multidisciplinary degree program designed for students whose needs or interests require a more broadly based liberal arts curriculum than is possible through existing disciplines. It is also intended to prepare students to teach in the elementary classroom, though the program is open to everyone. The Chicano(a) Studies Concentration will help broaden students' understanding of, and deepen their sensitivity to, the ever-increasing diversity of the region, and, in turn, prepare future teachers to reach out to their own students in meaningful ways. For more information, please call Professor Katherine Thomerson (Liberal Studies Coordinator) at 909 537-5857 or call the Dean's office in the College of Arts and Letters at 909-537-5800.

GENDER AND SEXUALITY STUDIES

College of Social and Behavioral Sciences
(909) 537-5255, SB-209M
<http://gendersexuality.csusb.edu/>

Coordinator: Dr. Todd Jennings

CSUSB offers both a minor and certificate program in Gender and Sexuality Studies. The aim of both programs is to prepare students, through the study of gender and sexuality, with insights, knowledge, and interpretive frameworks that will equip them personally, intellectually, and professionally. The programs allow students to examine how gender and sexuality as social constructs shape individual lives, groups, institutions, and social structures. Students will have the opportunity to examine individual development, couples, families, small groups, and organizations as well as the media, arts, and economic and political systems. A description of the program is available on the program website at <http://gendersexuality.csusb.edu/> and in the annual *Bulletin of Courses*. For more information, contact the program office located in SB-209M, or at (909) 537-5255, or e-mail Dr. Todd Jennings (Program Coordinator) at tjennin@csusb.edu.

SERVICE LEARNING

Director: Dr. Diane Podolske

The Office of Community Engagement promotes partnerships among students, faculty, staff and community members to improve the quality of life in our communities. One of the strategies used to achieve an improved community is service learning. Service learning combines academic learning objectives with meaningful work in the community. Students participating in service learning provide direct service to nonprofit and public organizations as a part of their requirements for academic credit, while faculty help them understand the connection between the tasks they perform and the academic course work. For example, health science students conduct health fairs and test homes for environmental hazards, sociology students help troubled teens to learn life skills, biology students supplement public schools with science demonstrations, etc. Students benefit from service learning courses through:

- hands-on use of skills and knowledge from a course
- interaction with people of diverse cultures and life-styles
- leadership development opportunities
- gaining valuable career experience

Once classes begin, follow these steps: (1) Complete the Add/Drop Slip; (2) obtain the signatures of the instructor and chair; and (3) bring the Add/Drop Slip to the Office of the Registrar in UH-171 with your student I.D. Closed courses cannot be added over *MyCoyote*.

REGISTRATION PAYMENT PROCEDURES

Student Fee Deadline for Credit/Refund Including Non-Resident Tuition

Regulations governing the refund of mandatory fees, including nonresident tuition, for students enrolling at the California State University are included in 41802 of Title 5, California Code of Regulations. For purposes of the refund policy, mandatory fees are defined as those system wide fees and campus fees that are required to be paid in order to enroll in state-supported academic programs at the California State University. Refunds of fees and tuition charges for self-support programs at the California State University (courses offered through the College of Extended Learning) are governed by a separate policy established by the University.

- March 29, 2018 is the deadline to **cancel, drop or withdraw from all classes prior to the first day of classes** including students with non-resident tuition and receive a full refund of mandatory fees, excluding non-refundable fees.
- April 20, 2018 is the deadline to **reduce units from full time to part time** and receive a 100% difference in tuition fees including students with non-resident tuition. A reduction in units from full time to part time after April 20, 2018, does not create a credit or refund.
- May 16, 2018 is the deadline to **withdraw from all units** and receive a pro-rated refund excluding non-refundable fees.
- Procedure and deadline information for canceling registration and dropping classes is available in the Records, Registration and Evaluations section of the Class Schedule.

NOTE: Application, Late Registration, ID, IPP and Administrative Fees are non-refundable.

For state-supported semesters, quarters and non-standard terms of course of four (4) weeks or more, a student who withdraws during the term in accordance with the University's established procedures will receive a refund of mandatory fees, including non-resident tuition, based on the portion of the term during which the student was enrolled. **No student withdrawing after the 60 percent point in the term is entitled to a refund of any mandatory fees or non-resident tuition.**

For state-supported semesters, quarters and non-standard terms of course of less than four (4) weeks, no refunds or mandatory fees and nonresident tuition is made unless a student cancels registration, reduces units or withdraws from all classes prior to the first day in accordance with the University's established procedures and deadlines. It is each student's responsibility to formally withdraw from classes and meet the conditions described above to receive a refund.

Please be sure to update your current mailing address on *MyCoyote*.

Refunds are typically processed within 10 business days.

Registration fees paid by check or credit card are not considered valid until the bank has cleared the payment. Refunds for payments made by check require a copy of the student's cancelled check; otherwise, it may take up to five weeks before Accounting receives confirmation from the State that the student's check cleared.

Information concerning any aspect of the refund of fees may be obtained from Student Financial Services (UH-35) or by phone at 909-537-5161.

Students will also receive a refund of mandatory fees, including non-resident tuition under the following circumstances:

- The tuition and mandatory fees were assessed or collected in error;
- The course for which the tuition and mandatory fees were assessed or collected was cancelled by the University;
- The University makes a delayed decision that the student was not eligible to enroll in the term for which mandatory fees were assessed and collected and the delayed decision was not due to incomplete or inaccurate information provided by the student; or
- The student was activated for compulsory military service.

Students who are not entitled to a refund as described above may petition the University for a refund demonstrating exceptional circumstances.

Information concerning the refund policies of California State University, San Bernardino for the return of unearned tuition and fees or other refundable portions of institutional charges is available from the Office of Accounting, 5500 University Parkway, San Bernardino, CA 92407, 909-537-5153 and online at:
<https://www.csusb.edu/student-financial-services/services/refund-and-drop-deadlines>

Registration fees paid by check or credit card are not considered valid until the bank has cleared the payment. Refunds for payments made by check require a copy of the student's cancelled check; otherwise, it may take up to five weeks before Accounting receives confirmation from the State that the student's check cleared.

Information concerning any aspect of the refund of fees may be obtained from Student Financial Services (UH-35) or by phone at 909-537-5161.

A refund may be requested for the basic registration fees and tuition (if student is not a financial aid recipient) and registration of all classes is cancelled, dropped or withdrawn or the number of units reduced to part time (six or less) by the deadline according to the Refund Schedule.

Financial Aid recipients, some or all of the credit may be returned to financial aid accounts and not directly to the student.

Cash or ATM refund is issued in the form of a check or direct deposit.

Check refund is issued in the form of a check or direct deposit once bank confirmation that the check has cleared and has been received by the University.

Credit card refund may be issued as a credit to the original credit card used for payment.

Fees and Debts Owed to the Institution

Should a student or former student fail to pay a fee of a debt owed to the institution, the institution may “withhold permission to register, to use facilities for which a fee is authorized to be charged, to receive services, materials, food or merchandise or any combination of the above from any person owing debt” until the debt is paid (see Title 5, California Code of Regulations, Sections 42380 and 42381).

Prospective students who register for courses offered by the University are obligated for the payment of fees associated with registration for those courses. Failure to cancel registration in any course for an academic term prior to the first day of the academic term gives rise to an obligation to pay student fees including any tuition for the reservation of space in the course.

The institution may withhold permission to register or to receive official transcripts of grades or other services offered by the institution from anyone owing fees or another debt to the institution. If a person believes he or she does not owe all or part of an asserted unpaid obligation that person should contact the Director of Accounting. The Director of Accounting will review all pertinent information, provided by the person and other campus offices and advise the person of its conclusions.

In addition the failure to pay the amount due may result in a referral of the debt to an outside collection agency and/or credit reporting agency; offset against amounts due from the State of California; and/or legal action. The student is responsible to pay all attorney fees and court costs.

SPRING 2018

Disbursements are scheduled as early as is permitted by federal regulations and are contingent on your file status and enrollment. At Cal State San Bernardino, the earliest possible disbursement date each quarter is ten (10) days prior to the first day of classes (exception: Winter Quarter earliest date for disbursement begins first business day of new year); thereafter, disbursements occur on a weekly basis each quarter. In addition, you must allow additional processing days for direct deposits to occur or for paper checks to be received by U.S. mail. Below is more important information about disbursements:

ENROLLMENT REQUIREMENTS FOR AUTOMATIC DISBURSEMENT

Your initial financial aid offer is an estimate and is based on full-time enrollment. The amount of funds disbursed to you is based on your financial aid file status (for example, no financial aid holds, file must be complete, etc.) and your actual number of enrolled units:

- You may view your file status online at <https://mycoyote.cms.csusb.edu/> > Self Service>Student Center> and then below “Finances” click on “View Financial Aid,” then click on appropriate aid year.
- If you are enrolled full-time, your financial aid will automatically “authorize” and “disburse” to your account, e.g. 12 units undergraduate and Credential/2nd BA students and 8 units for graduate students.

DISBURSEMENT FOR LESS THAN FULL-TIME ENROLLMENT

If you plan to be enrolled less than full-time for the 2018 Spring Quarter, some aid types may be prorated to reflect a reduced unit load. Final financial aid adjustments are determined after quarterly census:

- ***Spring 2018 – Friday, April 20, 2018***

**Thinking about Dropping ALL of your Classes?
Did you receive Federal and/or State Financial Aid?
Perhaps you should do some research on R2T4!!!**

Federal Financial Regulations are very strict concerning dropping out of all of your classes after receiving Federal and State Financial Aid (Pell, SEOG, Cal Grants, State University Grant (SUG), EOP, Middle Class Scholarship, TEACH and Loans). If you drop all classes on or prior to the 60% mark of the session, you will owe a "Return to Title IV" (R2T4) refund based on the chart of percentages below.

When will the refund be due?

Once your repayment has been calculated, you will have 45 days to repay the funds. You cannot repay these funds with future financial aid. You must repay the amount due prior to receiving Federal Financial Aid, again.

What can I do?

Make an appointment to meet with your Financial Aid Advisor. Visit the FAO in University Hall at UH-150, or call 909-537-5227 to make an appointment.

Show me an example, please!

Let's say ... you received a \$ 1,973 Federal Grant for Spring and drop all your classes on 4/19/2018, you would owe 74.36% (or \$1,467.12) back to your grant.

Return to Title IV (R2T4) Sample Refund Due Chart

If you Withdraw on this date ...	You will have to return this % of the Federal Grant you received for this term
3/31/18	98.72 %
4/16/18	78.21 %
4/19/18	74.36 %
4/26/18	65.38 %
5/4/18	55.13 %
5/12/18	44.87 %
5/16/18	00.00 %
<p>Remember!! This calculation is separate and distinct from the refund of your fees calculations made by the Accounting Office.</p> <p>You are strongly encouraged to read the complete R2T4 Policy and Procedures on-line at</p> <p style="text-align: center;"><u>http://finaid.csusb.edu/applyAid/refundsTitle4Funds.html</u></p>

Spring 2018

Below are some of the most frequently asked questions regarding parking regulations at CSUSB. If your specific question is not addressed, please call Parking Services at (909) 537-5912

Questions	Answers
<i>Where can I purchase a parking permit?</i>	Parking permits are only available for purchase online at http://parking.csusb.edu/ . All General Parking Permits will be mailed out while all Resident Permits will have to be picked up. A temporary printable permit will be issued at the time of your purchase.
<i>When are permits required?</i>	Permits are required for parking on campus at all times – 24 hours a day 7 days a week.
<i>Is there a grace period when parking permits are not required?</i>	No. Permits are required for parking on campus at all times - 24 hours a day 7 days a week.
<i>I did not receive a temporary parking permit after buying my permit online.</i>	You should have received an email from onlinepermits@csusb.edu in your MyCoyote email account. This email will serve as your temporary permit until the expiration date listed. If you did not receive the email please contact Parking Services at parking@csusb.edu .
<i>I paid for my parking permit online and it has not arrived in the mail. What should I do?</i>	Please ensure your mailing address on MyCoyote is correct also check your spam folder. If you still have not received it, please contact the Parking Services Office at (909) 537- 5912.
<i>If I paid for a parking permit, I can park wherever I want, right?</i>	No. Parking permits allow students to park in student spaces ONLY. They do not guarantee the availability of a parking space. The inability to locate a parking space is not a valid justification for parking illegally. Your parking permit must be properly displayed in plain, full view, with numbers and dates clearly visible.
<i>I only have a couple of classes a week; can I just pay for a daily parking permit?</i>	Yes. You can purchase a daily parking permit from a permit dispenser. https://www.csusb.edu/sites/default/files/CSUSBcampusmap-color.pdf .
<i>I ride a motorcycle. Do I have to pay to park?</i>	Parking permits are not issued for motorcycles, but you do need to pay for a motorcycle parking pass. After paying the parking fee, submit a "Request to Not Display a Parking Permit" online form. http://parking.csusb.edu/index.html .
<i>I have a disabled placard. Do I have to purchase a parking permit?</i>	Yes. In addition to having a valid placard properly displayed or a license plate that signifies that you are disabled, your vehicle must display a current CSUSB parking permit.

UNDERGRADUATE ACADEMIC ADVISING

California State University, San Bernardino is full of resources designed to ensure that students have the opportunity to meet their full potential. Advising is one of those resources. During advising sessions students are encouraged to ask questions regarding major specific scholarships, internships, career goals as well as discussing course selection. Faculty, staff and peer advisors are available to assist students by providing academic advisement during office hours or by appointment.

If you are wondering how your department handles advising, visit the Advising and Academic Service website (<http://www.csusb.edu/advising>) and plan to work with your advisor on a quarterly basis. Be sure to print your Program Advising Worksheet (PAWS) and bring it with you to all advising sessions.

STEPPING INTO SUCCESS

1. **Review the campus Bulletin (<http://bulletin.csusb.edu>)** - The Bulletin lists all campus policies. Be sure that you use this as your reference guide as it will be your responsibility to stay abreast of important deadlines and requirements.
2. **Print your Program Advising Worksheet (PAWS)** - Your PAWS is your guide to which courses need to be completed for graduation. Be sure you are using this each time you and your advisor select courses.
3. **Register for classes** - This is done through your MyCoyote account. Be sure to click the “Finish Enrolling” button for all courses selected. It is a good habit to review your class schedule immediately after you register for classes. Please remember it is your responsibility to drop any unwanted classes. Do not assume that instructors will drop you.
4. **Check your campus email regularly** - This is the campus’ primary method of communicating with students. If you are unsure what your campus email address is listed as, call the Help Desk (909) 537-7677.
5. **Check the Advising and Academic Services website (<https://www.csusb.edu/advising>)** for academic advising resources, tutoring locations. study skills help, advising tips, videos, and more.

Grievance Policy Information

Questions regarding the Student Academic Grievance Procedure are available from Advising and Academic Services, UH Room 380, (909) 537-5034, or from <https://www.csusb.edu/advising/policies-procedures/grade-appeals>

A student may appeal a final course grade or a grade on a Comprehensive Examination or a project (e.g. art exhibition) or thesis required for graduation. An appeal may be initiated on the basis of:

1. Clerical error
2. Capricious or prejudicial evaluation
3. Inconsistent or inequitably applied standards for evaluation

Students may also appeal other types of academic decisions. These include, but are not limited to:

1. Denial of Admission to or Dismissal from a course, major or program.
2. Placement on Academic Probation
3. Suspension or Dismissal from the University

A simple allegation or unsubstantiated assertion is an insufficient basis for lodging a formal complaint. Students must support their allegations with evidence compelling enough to give the Academic Grievance Committee reason to hold a formal hearing.

Students who do not complete the requirements in the term for which the grad check was filed, must re-file and pay a \$20 re-file fee for a second grad check, per major, minor, concentration, option, plan, specialty or track. If the re-filed grad check is filed after the deadline date, an additional \$20 late fee, per major, minor, concentration, option, plan, specialty or track, will be charged. Administrative Drop

Faculty members may initiate an administrative drop of a student in their courses based on any one of the following criteria.

Lack of attendance: Students who fail to attend two consecutive class meetings during the first three weeks of the term without contacting the faculty member or making special arrangements may be dropped.

Prerequisites not met: Students who are unable to show completion of required courses or who do not have the background needed to succeed in the course may be dropped.

Not admitted to the major: Students who have not been formally admitted to certain major programs will be dropped from courses that are open only to declared majors in that program. To remain in such classes, permission of the instructor may be required.

It is important to note that neither undergraduate students nor graduate students should assume that the instructor will process an administrative drop. Students are responsible for making sure that they are enrolled only in those classes they intend to complete.

Attending Classes

1. No student may attend classes until his/her registration has been completed.
2. Regular attendance is expected of all students enrolled at the University. The instructor of each class sets specific standards expected of students.
3. A student absent from class is responsible for arranging to make up missed class work and assignments if the instructor of the class allows for such make-up work to be done.

Auditing Courses

Enrollment in any course as an auditor shall be permitted only after students otherwise eligible to enroll in the course on a credit basis have had an opportunity to do so and only upon consent of the instructor. Auditors are subject to the same fee structure as credit students, and regular class attendance is expected.

Credit for courses audited will not subsequently be granted on the basis of the audit. Transcripts are not issued for audited courses. Once enrolled as an auditor, a student may not change to credit status unless such a change is requested within the first week of class and is approved by the instructor. Students registered for credit may change their status from that of an enrolled student to that of an auditor with the approval of the instructor concerned and within the first three weeks of class. Forms for such changes may be obtained at the Office of the Registrar in University Hall 171.

Course Overload Permits

In order to exceed the maximum units allowed per quarter, a student may request permission to overload units (Course Overload Permit) with the College Dean of the students' major. In order to be considered, students must be eligible by having both a grade average for the previous term of 3.0 or better and an overall grade-point average of 3.0 or better. Approved Course Overload Permits will be accepted at the Office of Registrar beginning on the first day of late registration, for processing. Additional registration and tuition fees must be paid and **HOLDS** must be cleared PRIOR TO SUBMITTING A REQUEST TO OVERLOAD FOR PROCESSING.

To enroll with an overload, follow these steps:

1. Obtain the approvals (signature) of the instructor and department Chair (of the course) for the course that will constitute the overload if the class is closed. If the class is open for enrollment, and prior to classes starting, proceed to step two (2).

Closed courses **without** an instructor's and Chair's approval will not be added to your class schedule. Courses are subject to the regulations set by the CSUSB Add Policy. Please refer to the class schedule for procedures and deadlines under "ADDS REQUIRING PERMITS"

2. **Obtain the authorized signature of approval from the College Dean.**

Declared undergraduates see the dean of the college of your major for approval.

Undeclared undergraduates see the Dean of Undergraduate Studies for approval.

Classified graduates and post-baccalaureates see their graduate coordinator for approval.

Unclassified graduates and post-baccalaureates see the Dean of Graduate Studies for approval.

3. **Once approved**, take the overload permit card, and picture I.D. to either the Office of the Registrar (UH-171) or the office of the college dean of your major for processing, once late registration begins.

Credit By Examination

A matriculated student may petition to receive course credit by examination. In this manner a student who already possesses the skills or knowledge of the ideas and concepts of a course can accelerate progress through the University. The following steps must be taken:

1. Student must register for the examination in the office of the college or department concerned before the first day of classes of the quarter in which the course is offered.
2. Student must complete the examination within the first two weeks of the quarter. (**NOTE:** Students may NOT enroll in a course they plan to challenge. If the challenge is unsuccessful, the student may add the course subject to the regulation for adding a class).
3. Credit by examination may only be earned by students currently enrolled as regular matriculated students in courses other than the one to be challenged.

Consult the current *Bulletin of Courses* for regulations governing credit by examination for undergraduates, post-baccalaureate students and graduate students.

Open University

Gateway to University courses for non-admitted students

Open University makes it possible for you to take degree-applicable CSUSB courses, on a space-available basis without being formally admitted to the University. Some classes may require you to meet the necessary prerequisites, if any, before enrolling.

Open University is a program designed for those who:

- want to examine a particular field before seeking admission to the university and enrolling in a degree program;
- want to update professional skills;
- missed the deadline for admission to CSUSB;
- have stopped attending CSUSB and wish to reenter;
- want to improve their GPA to reenter an academic program;
- wish to take selected CSUSB courses that will transfer to another university; or
- want to take a course for the enjoyment of learning.

The Open University program can help you update professional skills, prepare for a career change, enrich your personal development or work toward a degree. Many of the regular courses are held in the late afternoon and evenings, which provide opportunities for working adults.

For a listing of courses, consult the CSUSB Schedule of Classes.
