CSU makes every effort to keep student costs to a minimum. Fees listed in published schedules or Student Accounts may need to be increased when public funding is inadequate. Therefore, CSU must reserve the right, even after initial fee payments are made, to increase or modify any listed fees, without notice, until the date when instruction for a particular semester or quarter has begun. All CSU listed fees should be regarded as estimates that are subject to change upon approval by The Board of Trustees.

## WINTER 2019 FINAL EXAMINATION SCHEDULE MARCH 19 - 23, 2019

A final examination has been scheduled for each class. In courses extending over more than one term, the examination in the concluding term may also cover work done in the preceding term or terms. Examinations may not be taken before or after the scheduled period nor may the time of an examination be changed without authorization by the corresponding college Dean. Permission to take a final examination with a different section of the same course may be granted by the appropriate college Dean with the consent of the instructors concerned. Failure to take or to pass any final or other course examination will result in such deficiencies as instructors may assign.

**The final examination for classes meeting at times other than those listed will be arranged by the instructor and will take place during the time period of March 19 - 23, 2019. Due to the compressed nature of final exams, conflicts may occur. Verify your final examination date with your instructor.**

**CHICANO(A)/LATINO(A) STUDIES**

College of Social and Behavioral Sciences  
(909) 537-5512, SB-445  
<http://ethnic.csusb.edu/>

Coordinator: Dr. Elsa Valdez

Chicano(a)/Latino(a) Studies provides an interdisciplinary curriculum and is designed to provide an awareness, knowledge, and appreciation of the Chicano(a)/Latino(a) experience. The minor addresses issues of language, history, culture, politics, economics, education, immigration and the creative expression of the Chicano(a)/Latino(a) presence in the United States. This new minor will greatly enrich any student's undergraduate degree. Its goal is to extend knowledge relevant to this growing ethnic group by examining its experiences in a social context and its interdependence with other populations by addressing interracial, intercultural, and international understanding. This new minor provides students with an essential understanding of the Chicano(a)/Latino(a) culture and will enable them to succeed in a diverse society. The minor is housed in the Ethnic Studies Program, which also has a new concentration in Chicano(a)/Latino(a) Studies. For more information, please call Elsa Valdez (Ethnic Studies Coordinator, Professor Elsa Valdez at 909-537-5512 or call the Dean's office in the College of Social and Behavioral Sciences at 909-537-7500.

**CHICANO(A)/LATINO(A) STUDIES****Liberal Studies: General Track with a concentration in Chicano(a) Studies**

The Bachelor of Arts in Liberal Studies is a multidisciplinary degree program designed for students whose needs or interests require a more broadly based liberal arts curriculum than is possible through existing disciplines. It is also intended to prepare students to teach in the elementary classroom, though the program is open to everyone. The Chicano(a) Studies Concentration will help broaden students' understanding of, and deepen their sensitivity to, the ever-increasing diversity of the region, and, in turn, prepare future teachers to reach out to their own students in meaningful ways. For more information, please call Professor Katherine Thomerson (Liberal Studies Coordinator) at 909 537-5857 or call the Dean's office in the College of Arts and Letters at 909-537-5800.

**GENDER AND SEXUALITY STUDIES**

College of Social and Behavioral Sciences  
(909) 537-5255, SB-209M  
<http://gendersexuality.csusb.edu/>

Coordinator: Dr. Todd Jennings

CSUSB offers both a minor and certificate program in Gender and Sexuality Studies. The aim of both programs is to prepare students, through the study of gender and sexuality, with insights, knowledge, and interpretive frameworks that will equip them personally, intellectually, and professionally. The programs allow students to examine how gender and sexuality as social constructs shape individual lives, groups, institutions, and social structures. Students will have the opportunity to examine individual development, couples, families, small groups, and organizations as well as the media, arts, and economic and political systems. A description of the program is available on the program website at <http://gendersexuality.csusb.edu/> and in the annual *Bulletin of Courses*. For more information, contact the program office located in SB-209M, or at (909) 537-5255, or e-mail Dr. Todd Jennings (Program Coordinator) at [tjennin@csusb.edu](mailto:tjennin@csusb.edu).

**SERVICE LEARNING**

(909) 537-7483, FO-230  
<http://engage.csusb.edu>

Director: Dr. Diane Podolske

The Office of Community Engagement promotes partnerships among students, faculty, staff and community members to improve the quality of life in our communities. One of the strategies used to achieve an improved community is service learning. Service learning combines academic learning objectives with meaningful work in the community. Students participating in service learning provide direct service to nonprofit and public organizations as a part of their requirements for academic credit, while faculty help them understand the connection between the tasks they perform and the academic course work. For example, health science students conduct health fairs and test homes for environmental hazards, sociology students help troubled teens to learn life skills, biology students supplement public schools with science demonstrations, etc. Students benefit from service learning courses through:

- hands-on use of skills and knowledge from a course
- interaction with people of diverse cultures and life-styles
- leadership development opportunities
- gaining valuable career experience

- (2) Classes requiring pre-requisites
- (3) Closed Classes

**(1) Classes Needing Department Consent:**

When the registration systems inform you that a department permit is required for a class you are trying to register for, please see the department of the class for permission to register for it. Departments will first check that you meet the requirement for the class before placing the permit onto your records. This may include student level, pre-requisites, GPA or classification. (Footnotes for requirement such as these are noted for each class, following the section number, in the list of available classes, in the class schedule. Please refer to the “Footnotes” for explanations of these).

**(2) Classes Requiring Pre-requisites:**

When registering for classes, the system may inform you (by error message) that pre-requisites are required for one or more of the classes. Please contact the department of the class for permission to register for the class. Departments will first check that you have met the pre-requisites required for the class before placing the permit (for permission) onto your records. This may include student level, GPA, and/or completion of required courses. Footnotes for requirements such as these are noted for each class, following the section number, in the list of available classes, in the class schedule. Please refer to the “Footnotes” for explanation of these.

When a class reaches its maximum enrollment it is then considered “closed” to other registrants. After obtaining department permission (dept consent/pre-requisites **when required**), students who have compelling reasons for being admitted to a **closed** class must also obtain approval from the instructor and department chair **of the class for possible permission** to register over the maximum enrollment. Undergraduate students must petition with the Office of Advising and Academic Services, UH-380. For graduate, credential and post-baccalaureate students, please report to the Office of Graduate Studies, CH-123. *Supporting documentation is required.*

It is the student's responsibility to verify their class schedule prior to the Census deadline as they will receive a grade for every course in which they are shown to be officially registered. **\*It is also the student's responsibility to withdraw (drop) by the Census deadline from any class(es) which they do not plan to attend and complete.** Although an instructor *may* initiate to drop a student from a class based on the Administrative Drop Policy, students should not assume that the instructor would drop anyone from a class. (Refer to the University Bulletin for information regarding the Administrative Drop Policy).

**CANCELLATION OF REGISTRATION OR WITHDRAWAL FROM THE UNIVERSITY**

After Census, January 28, 2019

A grade of "W" is assigned.

**NEW POLICY:** Beginning Fall quarter 2009, undergraduate students may not exceed 28 quarter units of withdrawals (grade of "W"). Withdrawals completed prior to Fall 2009 are not included in that total. This limit applies only to courses taken at CSUSB, including courses taken through Open University, the College of Extended Learning and special session. The policy will be available at [www.ugs.csusb.edu/advising](http://www.ugs.csusb.edu/advising).

Students who find it necessary to cancel their registration or to \*withdraw from **all classes** after enrolling for any academic term are required to follow the University's official withdrawal procedures. **Failure to follow formal University procedures may result in an obligation to pay tuition fees as well as the assignment of failing grades in all courses and the need to petition for re-admission before being permitted to enroll in another academic term.** Information on withdrawal procedures is available from the Office of the Registrar, UH 171 and/or phone 909-537-5200.

Students who receive financial aid funds must consult with the Financial Aid Office prior to withdrawing from the University regarding any required return or repayment of grant or loan assistance received for that academic term or payment period. If a recipient of student financial aid withdraws during an academic term or a payment period, the amount of grant or loan assistance received may be subject to return and/or repayment provisions.

**WITHDRAWAL FROM THE UNIVERSITY  
AFTER CENSUS**

1. A drop or withdrawal will not be permitted after the Census deadline, January 28, 2019. **Except in cases involving accident or illness (physical or mental), serious personal or family problems, military transfer, or substantial change in employment during the term.**
2. Through the 8th week of class instruction (March 4, 2019, report to the office of the college of your major to begin the process. 3. **A GRADE OF “W” WILL BE ASSIGNED** for approved drops and withdrawals occurring after the census date, January 28, 2019. A grade of “W” is not used in calculating grade point average or progress points but will retain fees.

5. **Withdrawing in the 9th and 10th week of class instruction (March 5 - 18)** is not permitted unless extenuating circumstances beyond the student’s control have occurred. Undergraduate students must petition with the Office of Advising and Academic Services, UH-380. ## FINANCIAL AID DISBURSEMENT

### WINTER 2019

Disbursements are scheduled as early as is permitted by federal regulations and are contingent on your file status and enrollment. At Cal State San Bernardino, the earliest possible disbursement date each quarter is ten (10) days prior to the first day of classes (exception: Winter Quarter earliest date for disbursement begins first business day of new year); thereafter, disbursements occur on a weekly basis each quarter. In addition, you must allow additional processing days for direct deposits to occur or for paper checks to be received by U.S. mail. Below is more important information about disbursements:

#### **ENROLLMENT REQUIREMENTS FOR AUTOMATIC DISBURSEMENT**

Your initial financial aid offer is an estimate and is based on full-time enrollment. The amount of funds disbursed to you is based on your financial aid file status (for example, no financial aid holds, file must be complete, etc.) and your actual number of enrolled units:

- You may view your file status online at <https://mycoyote.cms.csusb.edu/> > Self Service>Student Center> and then below “Finances” click on “View Financial Aid,” then click on appropriate aid year.
- If you are enrolled full-time, your financial aid will automatically “authorize” and “disburse” to your account, e.g. 12 units undergraduate and Credential/2nd BA students and 8 units for graduate students.

#### **DISBURSEMENT FOR LESS THAN FULL-TIME ENROLLMENT**

If you plan to be enrolled less than full-time for the 2019 Winter Quarter, some aid types may be prorated to reflect a reduced unit load. Final financial aid adjustments are determined after quarterly census:

- Winter 2019 – **Monday, January 28, 2019**

## Thinking about Dropping ALL of your Classes?

### Did you receive Federal Financial Aid?

Perhaps you should do some research on R2T4!!!

Federal Financial Regulations are very strict concerning dropping out of all of your classes after receiving Financial Aid grants (Pell, SEOG, Cal Grant, State University Grant, Middle Class Scholarship, TEACH Grant and loans). If you drop all classes on or prior to the 60% mark of the session, you will owe a "Return to Title IV" (R2T4) refund based on the chart of percentages below.

When will the refund be due?

Once your repayment has been calculated, you will have 45 days to repay the funds. You cannot repay these funds with future financial aid. You must repay the amount due prior to ever receiving Federal Financial Aid, again.

What can I do?

Make an appointment to meet with your Financial Aid Advisor. Visit the FAO in University Hall at UH-150, or call 909-537-5227 to make an appointment.

Show me an example, please!

Let's say ... you received a \$2,232 Federal Pell Grant for Winter Quarter and dropped all your classes on **1/23/2019**, you would owe 75.64% (or \$1,688.28) back to your grant.

### Return to Title IV (R2T4) Sample Refund Due Chart

If you Withdraw on this date ...	You will have to return this % of the Federal Grant you received for this term
<b>1/5/2019</b>	<b>98.72 %</b>
<b>1/16/2019</b>	<b>84.62 %</b>
<b>1/23/2019</b>	<b>75.64 %</b>
<b>2/4/2019</b>	<b>60.26 %</b>
<b>2/13/2019</b>	<b>48.72 %</b>
<b>2/17/2019</b>	<b>43.59 %</b>
<b>2/20/2019</b>	<b>00.00 %</b>

Remember!! This calculation is separate and distinct from the refund of your fees calculations made by the Accounting Office.

**WARNING:** Adjustments made to your financial aid based on unit reduction may create a balance on your Student Account. All charges on a student's account must be paid in full each quarter. Plan your courses accordingly.

## UNDERGRADUATE ACADEMIC ADVISING

California State University, San Bernardino is full of resources designed to ensure that students have the opportunity to meet their full potential. Advising is one of those resources. During advising sessions students are encouraged to ask questions regarding major specific scholarships, internships, career goals as well as discussing course selection. Faculty, staff and peer advisors are available to assist students by providing academic advisement during office hours or by appointment.

If you are wondering how your department handles advising, visit the Advising and Academic Service website (<http://www.csusb.edu/advising>) and plan to work with your advisor on a quarterly basis. Be sure to print your Program Advising Worksheet (PAWS) and bring it with you to all advising sessions.

### STEPPING INTO SUCCESS

1. Review the campus Bulletin (<http://bulletin.csusb.edu>) - The Bulletin lists all campus policies. Be sure that you use this as your reference guide as it will be your responsibility to stay abreast of important deadlines and requirements.
2. Review your PAWS report – Your PAWS is your guide to which courses need to be completed for graduation. Be sure you are using this each time you and your advisor select courses.
3. Complete your myCAP – myCAP refers to your Individual Academic Plan, which maps out the courses you must take each term in order to graduate on time. The myCAP tool allows you to drag and drop the courses from your PAWS report into a particular term on your plan.
4. Register for classes - This is done through your MyCoyote account. Be sure to click the “Finish Enrolling” button for all courses selected. It is a good habit to review your class schedule immediately after you register for classes. Please remember it is your responsibility to drop any unwanted classes. Do not assume that instructors will drop you.
5. Check your campus email regularly - This is the campus’ primary method of communicating with students. If you are unsure what your campus email address is listed as, call the Help Desk (909) 537-7677.
6. Check the Advising and Academic Services website (<https://www.csusb.edu/advising>) for academic advising resources, tutoring locations, study skills help, advising tips, videos, and more.

(909) 537-5034, UH 380

**Grievance Policy Information**

Questions regarding the Student Academic Grievance Procedure are available from Advising and Academic Services, UH Room 380, (909) 537-5034, or from <https://www.csusb.edu/advising/policies-procedures/grade-appeals>

A student may appeal a final course grade or a grade on a Comprehensive Examination or a project (e.g. art exhibition) or thesis required for graduation. An appeal may be initiated on the basis of:

1. Clerical error
2. Capricious or prejudicial evaluation
3. Inconsistent or inequitably applied standards for evaluation

Students may also appeal other types of academic decisions. These include, but are not limited to:

1. Denial of Admission to or Dismissal from a course, major or program.
2. Placement on Academic Probation
3. Suspension or Dismissal from the University

A simple allegation or unsubstantiated assertion is an insufficient basis for lodging a formal complaint. Students must support their allegations with evidence compelling enough to give the Academic Grievance Committee reason to hold a formal hearing.

Office of the Registrar

(909) 537-5200, UH 171

<http://registrar.csusb.edu/>

**Change of Major**

In order to declare or change a major, add a concentration, track, option, or plan, students must submit a Change of Major form with the [Office of the Registrar](#). Students changing [concentrations](#) within the same major will be allowed to remain under their original catalog. Dual concentrations within the same major will require approval from the Department Chair. A processing fee of \$6.00 will be charged for each change or addition. An updated PAWS\* reflecting the change or addition will be available to view and print approximately two weeks after the form has been submitted by going to: <https://mycoyote.csusb.edu>

\*If you are a new student and have not yet received notification (via campus e-mail) of your completed PAWS, note that you will not be able to view an updated PAWS reflecting the major/minor changes (or additions) until your PAWS is completed.

**Concurrent Enrollment**

Once a student has matriculated at this University, transfer courses will only be accepted for credit if the courses have [prior](#) approval on the Concurrent Enrollment for Equivalent Transfer Course(s) form.

Students attending CSUSB on I-20 Visas are not eligible for concurrent enrollment at community colleges. They may, however, participate in the CSU Intrasystem Concurrent Enrollment Program or the UCR/CSUSB Cross Registration Program but must be concurrently enrolled in (and complete) at least 12 units at CSUSB and may only enroll in upper-division courses that are not offered at CSUSB. For more information, see Intrasystem and Intersystem Enrollment Programs or UCR/CSUSB Cross Registration Program in the *Bulletin of Courses*.

### CSU Intrasystem Program

### Graduation Requirement Check

Students must request a graduation requirement check at the Office of the Registrar (UH 171) prior to the end of the term of their expected graduation. To avoid late fees, a graduation check must be filed by the established deadlines. Note that the **deadline is the first business day of the months listed below**. To be eligible to file a grad check, undergraduate students must have completed 135 quarter units towards their degree. This may include current work in progress.

<u>Filing Date</u>	<u>Graduation Term</u>
January 2019	Summer Quarter 2019
February 2019	Fall Quarter 2019
May 2019	Winter Quarter 2020
November 2019	Spring Quarter 2020

The fee for filing the grad check is \$25 per major, minor, concentration, option, plan, specialty or track. If the grad check is filed after the deadline, an additional \$20 late fee, per major, minor, concentration, option, plan, specialty or track will be charged. Students who do not complete the requirements in the term for which the grad check was filed, must re-file and pay a \$20 re-file fee for a second grad check, per major, minor, concentration, option, plan, specialty or track. If the re-filed grad check is filed after the deadline date, an additional \$20 late fee, per major, minor, concentration, option, plan, specialty or track, will be charged. Access to subsequent registration will not be allowed until the grad check has been re-filed.

The Office of the Registrar will mail the official Graduation Requirement Check to the address listed on the Grad Check request form.

### Transcript Requests

Fees for transcripts are payable in advance. All transcripts will be complete as of the date of issuance showing all work attempted at the California State University, San Bernardino. Copies are normally mailed within two to four business days after receipt of request. However, if the request specifies inclusion of grades just earned or verification of a degree just awarded, two or three weeks must be allowed beyond the end of the quarter for a transcript to be issued. No transcript will be released if there is a transcript service indicator hold. The student is responsible for resolving the hold prior to submitting a transcript request. Otherwise, the transcript request will be returned to the student by mail. For more information about ordering transcripts please call (909) 537-5268, option 1, or go on line to [http://registrar.csusb.edu/records/request\\_transcript.html](http://registrar.csusb.edu/records/request_transcript.html)

**Lack of attendance:** Students who fail to attend two consecutive class meetings during the first three weeks of the term without contacting the faculty member or making special arrangements may be dropped.

**Prerequisites not met:** Students who are unable to show completion of required courses or who do not have the background needed to succeed in the course may be dropped.

**Not admitted to the major:** Students who have not been formally admitted to certain major programs will be dropped from courses that are open only to declared majors in that program. To remain in such classes, permission of the instructor may be required.

**It is important to note that neither undergraduate students nor graduate students should assume that the instructor will process an administrative drop. Students are responsible for making sure that they are enrolled only in those classes they intend to complete.**

### Attending Classes

1. No student may attend classes until his/her registration has been completed.
2. Regular attendance is expected of all students enrolled at the University. The instructor of each class sets specific standards expected of students.
3. A student absent from class is responsible for arranging to make up missed class work and assignments if the instructor of the class allows for such make-up work to be done.

### Auditing Courses

Enrollment in any course as an auditor shall be permitted only after students otherwise eligible to enroll in the course on a credit basis have had an opportunity to do so and only upon consent of the instructor. Auditors are subject to the same fee structure as credit students, and regular class attendance is expected.

Credit for courses audited will not subsequently be granted on the basis of the audit. Transcripts are not issued for audited courses. Once enrolled as an auditor, a student may not change to credit status unless such a change is requested within the first week of class and is approved by the instructor. Students registered for credit may change their status from that of an enrolled student to that of an auditor with the approval of the instructor concerned and within the first three weeks of class. Forms for such changes may be obtained at the Office of the Registrar in University Hall 171.

### Course Overload Permits

In order to exceed the maximum units allowed per quarter, a student may request permission to overload units (Course Overload Permit) with the College Dean of the students' major. In order to be considered, students must be eligible by having both a grade average for the previous term of 3.0 or better and an overall grade-point average of 3.0 or better.

Approved Course Overload Permits will be accepted at the Office of Registrar beginning on the first day of late registration, for processing. Additional registration and tuition fees must be paid and **HOLDS** must be cleared PRIOR TO SUBMITTING A REQUEST TO OVERLOAD FOR PROCESSING.

To enroll with an overload, follow these steps:

1. Obtain the approvals (signature) of the instructor and department Chair (of the course) for the course that will constitute the overload if the class is closed. If the class is open for enrollment, and prior to classes starting, proceed to step two (2).

Closed courses **without** an instructor's and Chair's approval will not be added to your class schedule. Courses are subject to the regulations set by the CSUSB Add Policy. Please refer to the class schedule for procedures and deadlines under "ADDS REQUIRING PERMITS"

2. **Obtain the authorized signature of approval from the College Dean.**

**Declared** undergraduates see the dean of the college of your major for approval.

**Undeclared** undergraduates see the Dean of Undergraduate Studies for approval.

**Classified** graduates and post-baccalaureates see their graduate coordinator for approval.

**Unclassified** graduates and post-baccalaureates see the Dean of Graduate Studies for approval.

3. **Once approved**, take the overload permit card, and picture I.D. to either the Office of the Registrar (UH-171) or the office of the college dean of your major for processing, once late registration begins.

### Credit By Examination

A matriculated student may petition to receive course credit by examination. In this manner a student who already possesses the skills or knowledge of the ideas and concepts of a course can accelerate progress through the University. The following steps must be taken:

1. Student must register for the examination in the office of the college or department concerned before the first day of classes of the quarter in which the course is offered.
2. Student must complete the examination within the first two weeks of the quarter. (**NOTE:** Students may NOT enroll in a course they plan to challenge. If the challenge is unsuccessful, the student may add the course subject to the regulation for adding a class).
3. Credit by examination may only be earned by students currently enrolled as regular matriculated students in courses other than the one to be challenged.

Consult the current *Bulletin of Courses* for regulations governing credit by examination for undergraduates, post-baccalaureate students and graduate students.

# Open University

## Gateway to University courses for non-admitted students

Open University makes it possible for you to take degree-applicable CSUSB courses, on a space-available basis without being formally admitted to the University. Some classes may require you to meet the necessary prerequisites, if any, before enrolling.

### Open University is a program designed for those who:

- want to examine a particular field before seeking admission to the university and enrolling in a degree program;
- want to update professional skills;
- missed the deadline for admission to CSUSB;
- have stopped attending CSUSB and wish to reenter;
- want to improve their GPA to reenter an academic program;
- wish to take selected CSUSB courses that will transfer to another university; or
- want to take a course for the enjoyment of learning.

The Open University program can help you update professional skills, prepare for a career change, enrich your personal development or work toward a degree. Many of the regular courses are held in the late afternoon and evenings, which provide opportunities for working adults.

*For a listing of courses, consult the CSUSB Schedule of Classes.*

### Registration Dates for Winter 2019
