

CSUSB Black Faculty Staff and Student Association Winter 2016

CSUSB Black Faculty, Staff and Student Association is a campus organization. The specific and primary purposes of this organization include:

To promote public interest in and an understanding of the unique needs of Black faculty, administrators, staff and students.

To provide a forum for Black faculty, administrators, staff and students to ensure equal opportunity and promote human values in education

To aid in the development of a Black perspective on education among the general community.

To encourage the entry of more Black faculty, administrators, staff and students into the university and college community.

To sponsor and provide for the delivery and holding of lectures, conferences, public meetings, classes and seminars conducted directly or indirectly to advance the cause of democratic and humanistic education.

To promote continual career enrichment for Black faculty, administrators and staff.

To develop an information network for members concerning courses of study, job opportunities and innovations in the field of education.

To increase graduation and retention rates among Black students.

To function as a civil rights advocate employee organization serving the particular interest of Black faculty and staff personnel.
