Review and Approval of December 3, 2018 Minutes

Freer approved the minutes by consent.

Transportation for PDC Students at UCR Building

Sorenson stated that Palm Desert Campus students and faculty use classrooms at the UCR building but are not allowed to park in that area. Currently, there are no accessible paths of travel to walk between the UCR and PDC campus buildings. Freer inquired about the possibility of reciprocal parking allowances for the UCR and PDC lots. Vassilakos Long also recommended adding parking language and terms into the next facility use contract.

Executive Order 1111: Disability Support and Accommodations

Freer reviewed the EO 1111 project tracker and the statuses of each section. Brown will revise the report to better identify and highlight items that have been completed, are on a reoccurring cycle, or have not yet been completed.

Action Items List

McNaught confirmed that ATI continues to provide monthly website accessibility scan reports to campus departments. McNaught also presented Blackboard Ally to faculty senate and received positive responses.

McNaught stated that ATI is currently undergoing a revision of the ATI campus guide focusing on all of the accessibility success indicators that are below accessible standards.

Issues from the floor

Sorenson and Daniels announced that the accessibility guide annual review is underway and that the committee is focusing on updating maps and adding information on Palm Desert campus.

Freer ended the meeting at 3:30 pm.
