FALL 2019 FINAL EXAMINATION SCHEDULE DECEMBER 3 - 7, 2019

A final examination has been scheduled for each class. In courses extending over more than one term, the examination in the concluding term may also cover work done in the preceding term or terms. Examinations may not be taken before or after the scheduled period nor may the time of an examination be changed without authorization by the corresponding college Dean. Permission to take a final examination with a different section of the same course may be granted by the appropriate college Dean with the consent of the instructors concerned. Failure to take or to pass any final or other course examination will result in such deficiencies as instructors may assign.

The final examination for classes meeting at times other than those listed will be arranged by the instructor and will take place during the time period of December 3 - 7, 2019. Due to the compressed nature of final exams, conflicts may occur. Verify your final examination date with your instructor.

CHICANO(A)/LATINO(A) STUDIES

College of Social and Behavioral Sciences
(909) 537-5512, SB-445
<http://ethnic.csusb.edu/>

Coordinator: Dr. Elsa Valdez

Chicano(a)/Latino(a) Studies provides an interdisciplinary curriculum and is designed to provide an awareness, knowledge, and appreciation of the Chicano(a)/Latino(a) experience. The minor addresses issues of language, history, culture, politics, economics, education, immigration and the creative expression of the Chicano(a)/Latino(a) presence in the United States. This new minor will greatly enrich any student's undergraduate degree. Its goal is to extend knowledge relevant to this growing ethnic group by examining its experiences in a social context and its interdependence with other populations by addressing interracial, intercultural, and international understanding. This new minor provides students with an essential understanding of the Chicano(a)/Latino(a) culture and will enable them to succeed in a diverse society. The minor is housed in the Ethnic Studies Program, which also has a new concentration in Chicano(a)/Latino(a) Studies. For more information, please call Elsa Valdez (Ethnic Studies Coordinator, Professor Elsa Valdez at 909-537-5512 or call the Dean's office in the College of Social and Behavioral Sciences at 909-537-7500.

CHICANO(A)/LATINO(A) STUDIES**Liberal Studies: General Track with a concentration in Chicano(a) Studies**

The Bachelor of Arts in Liberal Studies is a multidisciplinary degree program designed for students whose needs or interests require a more broadly based liberal arts curriculum than is possible through existing disciplines. It is also intended to prepare students to teach in the elementary classroom, though the program is open to everyone. The Chicano(a) Studies Concentration will help broaden students' understanding of, and deepen their sensitivity to, the ever-increasing diversity of the region, and, in turn, prepare future teachers to reach out to their own students in meaningful ways. For more information, please call Professor Katherine Thomerson (Liberal Studies Coordinator) at 909 537-5857 or call the Dean's office in the College of Arts and Letters at 909-537-5800.

GENDER AND SEXUALITY STUDIES

College of Social and Behavioral Sciences
(909) 537-5255, SB-209M
<http://gendersexuality.csusb.edu/>

Coordinator: Dr. Todd Jennings

CSUSB offers both a minor and certificate program in Gender and Sexuality Studies. The aim of both programs is to prepare students, through the study of gender and sexuality, with insights, knowledge, and interpretive frameworks that will equip them personally, intellectually, and professionally. The programs allow students to examine how gender and sexuality as social constructs shape individual lives, groups, institutions, and social structures. Students will have the opportunity to examine individual development, couples, families, small groups, and organizations as well as the media, arts, and economic and political systems. A description of the program is available on the program website at <http://gendersexuality.csusb.edu/> and in the annual *Bulletin of Courses*. For more information, contact the program office located in SB-209M, or at (909) 537-5255, or e-mail Dr. Todd Jennings (Program Coordinator) at tjennin@csusb.edu.

LATIN AMERICAN STUDIES

College of Arts and Letters
909) 537-7386, UH 201.43

<http://latinamstudies.csusb.edu/>

Coordinator: Dr. Carmen Jany

The Latin American Studies minor program provides students with the opportunity to explore a wide range of subjects relating to the Western Hemisphere through an interdisciplinary curriculum that draws from the Colleges of Arts and Letters, Business and Public Administration, Education, Social and Behavioral Sciences, and Natural Sciences. The focus of the program adds an international perspective to any major. It offers physical and virtual resources to students and faculty interested in this area of the world. The Latin American Studies minor program can make a student more marketable as s/he gains more knowledge in areas of concern for today's global community. For further information, contact Dr. Carmen Jany, Latin American Studies Coordinator, UH-201.43, at (909) 537-7386. Ask about CSUSB's International Programs in Latin America.

SERVICE LEARNING

Director: Dr. Diane Podolske

The Office of Community Engagement promotes partnerships among students, faculty, staff and community members to improve the quality of life in our communities. One of the strategies used to achieve an improved community is service learning. Service learning combines academic learning objectives with meaningful work in the community. Students participating in service learning provide direct service to nonprofit and public organizations as a part of their requirements for academic credit, while faculty help them understand the connection between the tasks they perform and the academic course work. For example, health science students conduct health fairs and test homes for environmental hazards, sociology students help troubled teens to learn life skills, biology students supplement public schools with science demonstrations, etc. Students benefit from service learning courses through:

- hands-on use of skills and knowledge from a course
- interaction with people of diverse cultures and lifestyles
- leadership development opportunities
- gaining valuable career experience

ADDS REQUIRING PERMITS

- (1) Classes needing Dept Consent
- (2) Classes requiring pre-requisites
- (3) Closed Classes

(1) Classes Needing Department Consent:

When reregistering for classes, the system may inform you (by error message) that department consent is required in order to register for one or more of the classes. Please contact the department of the class for permission to register for the class. Departments will first check that you meet the requirements for the class before placing the permit (for permission) onto your records. This may include GPA, major, classification, and/or enrollment limits. Footnotes for requirements such as these are noted for each class, following the section number, in the list of available classes, in the class schedule. Please refer to the “Footnotes” for explanation of these.

(2) Classes Requiring Pre-requisites:

When registering for classes, the system may inform you (by error message) that pre-requisites are required for one or more of the classes. Please contact the department of the class for permission to register for the class. Departments will first check that you have met the pre-requisites required for the class before placing the permit (for permission) onto your records. This may include student level, GPA, and/or completion of required courses. Footnotes for requirements such as these are noted for each class, following the section number, in the list of available classes, in the class schedule. Please refer to the “Footnotes” for explanation of these.

(3) Closed Classes

September 19 - October 9, 2019

When a class reaches its maximum enrollment it is then considered “closed” to other registrants. After obtaining department permission (dept consent/pre-requisites when required), students who have compelling reasons for being admitted to a closed class must also obtain approval from the instructor and department chair **of the class** for possible permission to register over the maximum enrollment. Once classes begin, follow these steps: (1) Complete the Add/Drop Slip; (2) obtain the signatures of the instructor and chair; and (3) bring the Add/Drop Slip to the Office of the Registrar in UH-171 with your student I.D. **CLOSED COURSES CANNOT BE ADDED OVER MyCoyote.**

NOTE! It is the student’s responsibility to officially register for a class with an Add Slip containing the appropriate signatures to the Office of the Registrar. Instructors cannot “add” a class to your class schedule by adding your name to the class roster! Official registration for a class must be initiated by the student, by following the procedures listed above.

Deadline Dates for Permitted and Closed Classes:

Before classes begin:

After department permission has been granted, use the on-line registration system (*MyCoyote*) to add the course through September 25, 2019.

September 19 - 25 (1st week of classes):

After department permission has been granted, use the on-line registration system (*MyCoyote*) to add classes. Or bring approved (signed) Add Slip to the Office of the Registrar in UH-171 for processing.

September 26 - October 2 (2nd week of classes):

Adding classes or registering for the first time can no longer be done on-line over MyCoyote. After department permission has been granted, additional approval must be obtained from the instructor, on an Add Slip, and processed at the Office of the Registrar in UH-171.

October 3 - 9 (3rd week of classes):

After obtaining department permissions, adding a class or classes in the third week requires additional approval from the instructor and the department chair of the class, on an Add slip and processed at the Office of the Registrar in UH-171.

REGISTRATION

Last Day To Add by Permission or By Permit (Census):
(Census) **October 9, 2019**

By permission with Add Slips:

Bring approved Add Slips to the Office of the Registrar in UH-171. Add Slips will not be honored after the Census date. However, courses requiring "department consent" or "prerequisites not met" will require that you receive a permit from the department of the class prior to being registered for the class.

By department issued permit:

Contact the department of the class for a permit to register. Once the permit has been placed, you will be able to register for the class over *MyCoyote* through Census. Registration for a permitted class will not be allowed over *MyCoyote* after Census.

BE ADVISED: Instructors cannot "add" a class to your class schedule by adding your name to the class roster! Official registration for a class must be initiated by the student, by following procedures listed above.

(Refer to the University Bulletin for information regarding the Administrative Drop Policy).

WITHDRAWAL FROM THE UNIVERSITY**

After Census, October 9, 2019
A grade of "W" will be assigned.

NEW POLICY: Beginning Fall quarter 2009, undergraduate students may not exceed 28 quarter units of withdrawals (grade of "W"). Withdrawals completed prior to Fall 2009 are not included in that total. This limit applies only to courses taken at CSUSB, including courses taken through Open University, the College of Extended Learning and special session. The policy will be available at <http://undergradstudies.csusb.edu>.

Students who find it necessary to cancel their registration or to *withdraw from **all classes** after enrolling for any academic term are required to follow the University's official withdrawal procedures. **Failure to follow formal University procedures may result in an obligation to pay tuition fees as well as the assignment of failing grades in all courses and the need to petition for re-admission before being permitted to enroll in another academic term.** Information on withdrawal procedures is available from the Office of the Registrar, UH 171 and/or phone 909-537-5200.

Students who receive financial aid funds must consult with the Financial Aid Office prior to withdrawing from the University regarding any required return or repayment of grant or loan assistance received for that academic term or payment period. If a recipient of student financial aid withdraws during an academic term or a payment period, the amount of grant or loan assistance received may be subject to return and/or repayment provisions.

WITHDRAWAL FROM THE UNIVERSITY
AFTER CENSUS

1. A drop or withdrawal will not be permitted after the Census deadline, October 9, 2019, **except in cases involving accident or illness (physical or mental), serious personal or family problems, military transfer, or substantial change in employment during the term.**

2. Through the 8th week of class instruction (November 14, 2019), report to the office of the college of **your major** to begin the process. Undeclared students will need to report to the Office of Academic Services in UH-380 and unclassified graduate students report to the office of Graduate Studies in CH-123. Picture ID is required.
3. **A GRADE OF "W" WILL BE ASSIGNED** for approved drops and withdrawals occurring after the census date, October 9, 2019. A grade of "W" is not used in calculating grade point average or progress points but will retain fees.
4. **A GRADE OF "WU" WILL BE ASSIGNED** (Withdrawal Unauthorized) if and when a student fails to officially drop from a class or classes by the Census dateline. This grade is equivalent to an "F" and will retain fees.
5. **Withdrawing in the 9th and 10th week of class instruction (November 15 - December 2)** is not permitted unless extenuating circumstances beyond the student's control have occurred. Undergraduate students must petition with the Office of Advising and Academic Services, UH-380. For graduate, credential and post-baccalaureate students, please report to the Office of Graduate studies CH-123. Supporting documentation is required.

In addition, extenuating circumstances **MUST** be shown to have prevented withdrawal before the refund deadline date. Partial retroactive withdrawal from courses is not permissible for any reason. All courses must be withdrawn and will be noted with a "W" on the official transcript. **Lack of awareness of the withdrawal procedure is not an extenuating circumstance.** Requests must be made in writing to the Director of Advising and Academic Services, UH-380, for undergraduates, or the Dean of Graduate Studies in CH-123 for graduate, credential, post-baccalaureate and 2nd B.A. students..

Thinking about Dropping ALL of your Classes?

Did you receive Federal and/or State Financial Aid?

Perhaps you should do some research on R2T4!!!

Federal Financial Regulations require the university to determine the amount of federal and state aid you earned if you stop participating, withdraw or drop your classes before the 60% attendance point of the quarter. CSUSB must calculate Federal and State Financial Aid (Pell, SEOG, Cal Grants, State University Grant (SUG), EOP, Middle Class Scholarship, TEACH and Loans) earned during the period of attendance and determine the amount of funds a student will owe as a "Return to Title IV" (R2T4) refund. The chart below provides an estimate of the percentage that may have to be returned.

When will the refund be due?

Once your repayment has been calculated, you will have 45 days to repay the funds. You cannot repay these funds with future financial aid. You must repay the amount due prior to receiving Federal Financial Aid, again.

What can I do?

Make an appointment to meet with your Financial Aid Advisor to discuss your potential withdrawal and its impact on your financial aid. Visit the FAO in University Hall at UH-150, or call 909-537-5227 to make an appointment.

Show me an example, please!

Let's say ... you received a \$ 2,032 Federal Grant for Spring Quarter 2019 and drop all your classes on October 8, 2019, you would owe 76.25% (or up to \$1,549.40) back to your grant.

Return to Title IV (R2T4) Sample Refund Due Chart

If you Withdraw on this date ...	You will have to return this % of the Federal Grant you received for this term
9/21/19	97.50%
9/28/19	88.61%
10/08/19	75.95%
10/16/19	65.82%
10/24/19	55.70%
11/01/19	45.57%
11/06/19	00.00 %

Remember!! This calculation is separate and distinct from the refund of your fees calculations made by the Student Financial Services Office.

You are strongly encouraged to read the complete R2T4 Policy and Procedures on-line at <https://www.csusb.edu/financial-aid/current-students/other-information/withdrawing-classes>

FALL 2019

Disbursements are scheduled as early as is permitted by federal regulations and are contingent on your file status and enrollment. At Cal State San Bernardino, the earliest possible disbursement date each quarter is ten (10) days prior to the first day of classes (exception: Winter Quarter earliest date for disbursement begins first business day of new year); thereafter, disbursements occur on a weekly basis each quarter. In addition, you must allow additional processing days for direct deposits to occur or for paper checks to be received by U.S. mail. Below is more important information about disbursements:

REQUIREMENTS FOR AUTOMATIC DISBURSEMENT

Your initial financial aid offer is an estimate. The amount of funds disbursed to you is based on your financial aid file status (for example, no financial aid disbursement hold, financial aid file must be complete, etc.) and your actual number of enrolled units.

- Financial aid will automatically “authorize” and “disburse” to your student account.
- Most types of aid require a minimum of ½ time enrollment, e.g. 6 units undergraduate and Credential/2nd BA students and 4 units of 500 or higher level of courses for Master’s and ED Doctoral students.
- Some types of aid will be prorated if you are enrolled less than full-time, e.g. Pell Grant, State University Grant (SUG), TEACH Grant, etc.
- Financial aid disbursed amounts are finalized as of quarterly CENSUS date.

DISBURSEMENT FOR LESS THAN FULL-TIME ENROLLMENT

If you plan to be enrolled less than full-time for the 2019 Fall Quarter, some aid types may be prorated to reflect a reduced unit load. Final financial aid adjustments are determined after quarterly census:

Fall 2019 Census date is **October 9, 2019**

UNDERGRADUATE ACADEMIC ADVISING

California State University, San Bernardino is full of resources designed to ensure that students have the opportunity to meet their full potential. Advising is one of those resources. During advising sessions students are encouraged to ask questions regarding major specific scholarships, internships, career goals as well as discussing course selection. Faculty, staff and peer advisors are available to assist students by providing academic advisement during office hours or by appointment.

If you are wondering how your department handles advising, visit the Advising and Academic Services website (<https://www.csusb.edu/advising>) and plan to work with your advisor on a quarterly basis. Be sure to print your Program Advising Worksheet (PAWS) and bring it with you to all advising sessions.

STEPPING INTO SUCCESS

1. Review the campus Bulletin (<http://bulletin.csusb.edu>) - The Bulletin lists all campus policies. Be sure that you use this as your reference guide as it will be your responsibility to stay abreast of important deadlines and requirements.
2. Review your PAWS report – Your PAWS is your guide to which courses need to be completed for graduation. Be sure you are using this each time you and your advisor select courses.
3. Complete your myCAP – myCAP refers to your Individual Academic Plan, which maps out the courses you must take each term in order to graduate on time. The myCAP tool allows you to drag and drop the courses from your PAWS report into a particular term on your plan.
4. Register for classes - This is done through your *MyCoyote* account. Be sure to click the “Finish Enrolling” button for all courses selected. It is a good habit to review your class schedule immediately after you register for classes. Please remember it is your responsibility to drop any unwanted classes. Do not assume that instructors will drop you.
5. Check your campus email regularly - This is the campus’ primary method of communicating with students. If you are unsure what your campus email address is listed as, call the Help Desk (909) 537-7677.
6. Check the Advising and Academic Services website (<https://www.csusb.edu/advising>) for academic advising resources, tutoring locations. study skills help, advising tips, and more.

Grievance Policy Information

Questions regarding the Student Academic Grievance Procedure are available from Advising and Academic
<https://www.csusb.edu/advising/students/academic-grievance>.

A student may appeal a final course grade or a grade on a Comprehensive Examination or a project (e.g. art exhibition) or thesis required for graduation. An appeal may be initiated on the basis of:

- :
1. Clerical error
 2. Capricious or prejudicial evaluation
 3. Inconsistent or inequitably applied standards for evaluation

Students may also appeal other types of academic decisions. These include, but are not limited to:

1. Denial of Admission to or Dismissal from a course, major or program.
2. Placement on Academic Probation
3. Suspension or Dismissal from the University

A simple allegation or unsubstantiated assertion is an insufficient basis for lodging a formal complaint. Students must support their allegations with evidence compelling enough to give the Academic Grievance Committee reason to hold a formal hearing.

Administrative Drop

Faculty members may initiate an administrative drop of a student in their courses based on any one of the following criteria.

Lack of attendance: Students who fail to attend two consecutive class meetings during the first three weeks of the term without contacting the faculty member or making special arrangements may be dropped.

Prerequisites not met: Students who are unable to show completion of required courses or who do not have the background needed to succeed in the course may be dropped.

Not admitted to the major: Students who have not been formally admitted to certain major programs will be dropped from courses that are open only to declared majors in that program. To remain in such classes, permission of the instructor may be required.

It is important to note that neither undergraduate students nor graduate students should assume that the instructor will process an administrative drop. Students are responsible for making sure that they are enrolled only in those classes they intend to complete.

Attending Classes

1. No student may attend classes until his/her registration has been completed.
2. Regular attendance is expected of all students enrolled at the University. The instructor of each class sets specific standards expected of students.
3. A student absent from class is responsible for arranging to make up missed class work and assignments if the instructor of the class allows for such make-up work to be done.

Auditing Courses

Enrollment in any course as an auditor shall be permitted only after students otherwise eligible to enroll in the course on a credit basis have had an opportunity to do so and only upon consent of the instructor. Auditors are subject to the same fee structure as credit students, and regular class attendance is expected.

Credit for courses audited will not subsequently be granted on the basis of the audit. Transcripts are not issued for audited courses. Once enrolled as an auditor, a student may not change to credit status unless such a change is requested within the first week of class and is approved by the instructor. Students registered for credit may change their status from that of an enrolled student to that of an auditor with the approval of the instructor concerned and within the first three weeks of class. Forms for such changes may be obtained at the Office of the Registrar in University Hall 171.

Course Overload Permits

In order to exceed the maximum units allowed per quarter, a student may request permission to overload units (Course Overload Permit) with the College Dean of the students' major. In order to be considered, students must be eligible by having both a grade average for the previous term of 3.0 or better and an overall grade-point average of 3.0 or better.

Approved Course Overload Permits will be accepted at the Office of Registrar beginning on the first day of late registration, for processing. Additional registration and tuition fees must be paid and **HOLDS** must be cleared PRIOR TO SUBMITTING A REQUEST TO OVERLOAD FOR PROCESSING.

To enroll with an overload, follow these steps:

1. Obtain the approvals (signature) of the instructor and department Chair (of the course) for the course that will constitute the overload if the class is closed. If the class is open for enrollment, and prior to classes starting, proceed to step two (2).

Closed courses **without** an instructor's and Chair's approval will not be added to your class schedule. Courses are subject to the regulations set by the CSUSB Add Policy. Please refer to the class schedule for procedures and deadlines under "ADDS REQUIRING PERMITS"

2. **Obtain the authorized signature of approval from the College Dean.**

Declared undergraduates see the dean of the college of your major for approval.

Undeclared undergraduates see the Dean of Undergraduate Studies for approval.

Classified graduates and post-baccalaureates see their graduate coordinator for approval.

Unclassified graduates and post-baccalaureates see the Dean of Graduate Studies for approval.

3. **Once approved**, take the overload permit card, and picture I.D. to either the Office of the Registrar (UH-171) or the office of the college dean of your major for processing, once late registration begins.

Credit By Examination

A matriculated student may petition to receive course credit by examination. In this manner a student who already possesses the skills or knowledge of the ideas and concepts of a course can accelerate progress through the University. The following steps must be taken:

1. Student must register for the examination in the office of the college or department concerned before the first day of classes of the quarter in which the course is offered.
2. Student must complete the examination within the first two weeks of the quarter. (**NOTE:** Students may NOT enroll in a course they plan to challenge. If the challenge is unsuccessful, the student may add the course subject to the regulation for adding a class).
3. Credit by examination may only be earned by students currently enrolled as regular matriculated students in courses other than the one to be challenged.

Consult the current *Bulletin of Courses* for regulations governing credit by examination for undergraduates, post-baccalaureate students and graduate students.
