

## **Class #1 Meeting Notes**

October 7, 2014: 8 am

Number of Students: 68

### **Question 1: What is good/great about CSUSB?**

- Diversity.
- Reliable faculty/resources.
- Community involvement.
- A lot of classes are offered.
- Friendly environment.
- Good professors.
- Gym is great.
- Overall facilities (e.g., Rec. Center, Library, art studio)
- Amazing staff (very attentive).
- Resource center (clubs) (jobs).
- Pick your own classes.
- Nice gym.
- Good professors.
- Diversity. Welcoming.
- Great weather.
- Convenient location.
- Affordable.
- Supportive staff.
- Student culture.
- Access to Lexis Nexis.
- The new Cal State - very modern!
- Campus scenery.
- Great: Rec. Center, gamers, lounge, access to internships, big library, free choice of clubs, and professors.
- Good: food choices, parking, and University Parkway.
- Rec. Center.
- Faculty.
- Environment.
- School events.
- Resources (i.e., Library).
- The cost of tuition is fair.
- There are multiple clubs to join.
- Landscape, a lot of trees.
- Health Center and Rec. Center are good.
- Student advising is useful.
- Campus is nice and clean.

- Diversity.
- Social activities- before school/late night party, Career Fair.
- Upkeep - maintained, maintained lawn, clean classrooms.
- Resources – Library, Career and Writing Center, computer lab.

**Question 2: What do you wish you could say about CSUSB, but can't, because it isn't true?**

- Class availability.
- 2<sup>nd</sup> student union (24-hr. service).
- Better equipment in classrooms.
- Lower student expenses.
- That we had a football team.
- More fun events.
- More space in S.I. classes.
- Steam room.
- Class availability (hard to get classes, especially as freshman).
- Parking is great (NOT!!).
- More open classes.
- Feel included (don't feel a part of things – clubs, etc.).
- Good academic advising.
- Good orientation for transfers.
- More/cheaper parking.
- San Bernardino is a great city!!
- No poverty, clean, has a good employment rate, etc.
- Low crime rate, no earthquakes.
- There is a lot of room in classes.
- Everyone walks around with school spirit.
- A lot of food places (i.e., access to devices to heat own food, add or expand Starbucks).
- 24-hour access to study (open lab or study area).
- Expanded parking structures.
- Commons areas in various locations on campus.
- Football team.
- There's limited parking space (but in reality there's plenty).
- Good Wi-Fi.
- Commuting is not a hassle.
- Food is inexpensive.
- Study spaces (lack of at Kinesiology).
- Parking (during the day all spaces are taken).
- Vendors – centralized location, more variety, healthier options.
- A lot to do around campus.

- More seating – Student Union has more tables.
- Engaged and involved students.

**Question 3: If you were the President of CSUSB for 1 month, what would you change?**

- Hire more professors.
- Extend the 4-year plan.
- Increase Presidential availability and have more casual situations.
- One free book per student.
- More restaurants.
- Free parking.
- More student involvement.
- Funding to assist student development (clubs, programs) expenses.
- Lower cost.
- Add more classes.
- More sports (football, track & field).
- More financial aid!
- Lower parking pass price.
- Opportunities for community involvement.
- School football team.
- More security at night (ex: closing classes at 10 PM).
- Advertise variety of majors, & keep them open!
- More food options, & healthier options.
- Earthquake safety desks!
- Open a section for overpopulated classes.
- Ways to promote a healthy lifestyle on campus.
- Implement more interaction between advisors & students.
- Add more classes for subjects/areas difficult to get into class (e.g., Biology, Anatomy, CSI, and Chemistry – sciences in general).
- Parking grace period 1<sup>st</sup> week of school.
- Encourage more students to participate/get involved in events.
- To have a football team and to rally up the students.
- Construct more access routes that lead to the school.
- Healthier food.
- Books a little cheaper.
- More parking spaces or convert existing spaces into parking structures.
- More major student activities such as concerts.
- More class availability.
- Commuter – more CSUSB transportation, expand OmniTrans.

- Incorporate more alternative energy – wind, solar, conserve water as we are in perfect place to do so.
- Management – improve system already in place, improve efficiency.
