Question 2: What do you wish you could say about CSUSB, but can't, because it isn't true?

- Books are included in tuition.
- Easy to register for classes.
- Guaranteed to graduate in 4 years.
- It is located in a supportive college town (close relationship between school and community).
- Fixed cost.
- They have a variety of food.
- People are social.
- We would love to say parking is great.. but we can't.
- Wi-fi is great.
- Class availability.
- A lot of campus housing/affordable/has community feel.
- Have food vendors that aren't run by Sodexo.
- Campus is non-commercialized.
- It is a Division 1 type of school community (where town comes to games, and school cares about small businesses).

Question 3: If you were the President of CSUSB for 1 month, what would you change?

- Offer more paid/unpaid internships.
- Lower tuition costs.
- Bigger desks.
- The relationship with the community.
- Offering more classes, and times.
- Parking.
- Better planning for a four-year graduation plan.
- More support.
- Offer more classes (especially more Health Science classes).
- Work on campus reputation (we have a negative vibe in the Inland Empire).
- Accountability of professors (their side is always taken).
- More classes.
- More parking.
- Eliminate student success fee (was a work-around on the Governor's freeze on tuition and students don't remember voting on it).
- Price of books/give the school control over bookstore.
- Make fees more transparent.
- Stop privatizing.
- Public transportation to run late and operating hours of sbX more in tune with school hours.
