Year:

Title of Project:

Independent study involves an in-depth research study of a topic concerned with some aspect of crime or the criminal justice system that is of particular interest to the student. Identify below what aspect of crime or the criminal justice system you wish to research and describe in some detail a research plan specifying how and what you propose to do in order to complete this course of study. A 20 page report will be due at the end of the quarter to the faculty member and will be kept on file for 1 year. It is your responsibility to contact an instructor who is willing to supervise your project.

Description of independent study:

The objectives of this independent study are:

Tentative schedule of student-faculty conferences:

The faculty advisor will state how the project is to be evaluated:
