### Integrated Marketing Communication Track (CIMC)

This track will no longer exist on the semester system and we froze admission to this program starting this year. So far, we have only 8 IMC students and except for one, they are all done with their classes and will be graduating either in Spring of 2018 or Fall of 2018. Therefore, we could go with an individual advising plan for the student who might still be in our program after the transfer. Thank you!
