Re: Staff Council Minutes & Recording for July 24, 2019

On July 24, 2019 Staff Council held their scheduled meeting in the College of Education Room 336 at 2:00pm. The meeting was conducted under the leadership of Rob Garcia, former Chair of Staff Council, as interim Chairman while the Council voted on an Executive Committee at a later date. Because the Executive Committee positions were vacant at the time of this meeting, written minutes were not recorded. The only record for this meeting was kept on a Zoom recording provided by Mr. Garcia at the following location:

The link to this recording will be used as the minutes for the July 24, 2019 meeting and will be voted on by the Council on August 7, 2019 for approval. Further recommendations on these minutes shall rest under the authority of the council.
