HOW TO EXCLUDE/INCLUDE CLASSES TO BE SOTED IN PEOPLE SOFT

SOTE is a class attribute added (or deleted) at the class section level. SOTE attributes copy forward in the prior term copy process for class section production each term. Since a SOTE row may already exist it may be necessary click on the “View All” link in the Class Attributes section to locate the SOTE row.

**Navigation: Curriculum Management>Schedule of Classes>Maintain Schedule of Classes**

On the Basic data page for a class section in the Class Attributes section (at the bottom of the page) SOTE assignments are made on a section by section basis. SOTE rows are either added or deleted in this location. SOTE assignments are NEVER EVER made over existing rows (example: - CLEV or GE rows).
