

# Schedule Planner

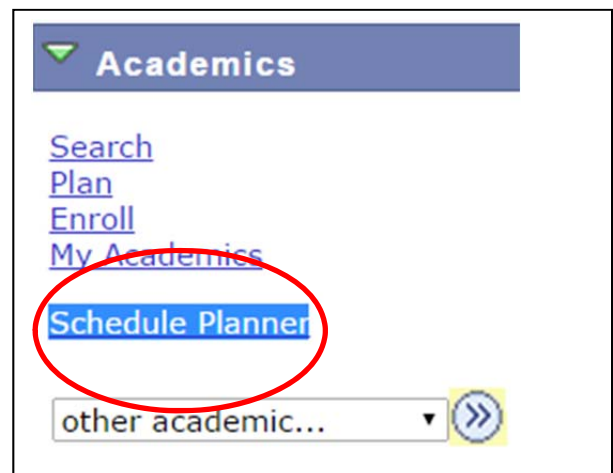

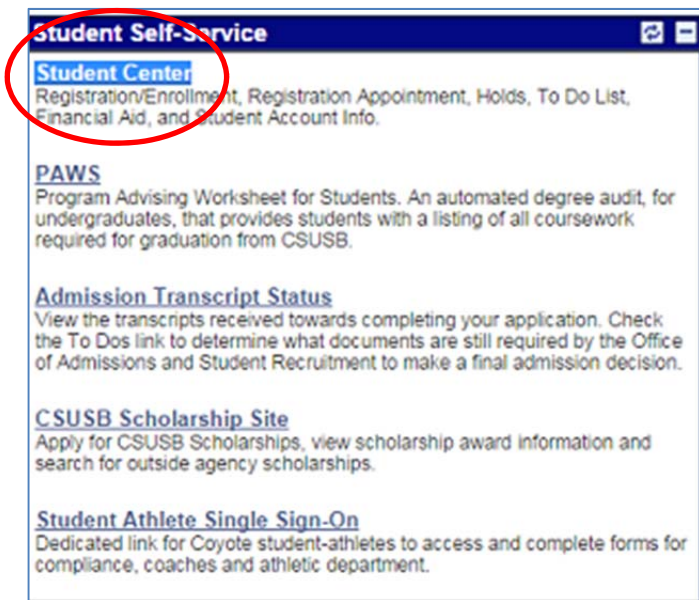

Create the ideal class schedule with *Schedule Planner*

The **Schedule Planner** is a new function within the MyCoyote **Student Center** that will generate potential schedule options when selecting courses to enroll in for the upcoming term. The **Schedule Planner** helps generate schedules around certain time frames such as work hours, athletic practice, study labs, etc. Possible schedules are then generated, allowing students to find a schedule suitable to specific needs.

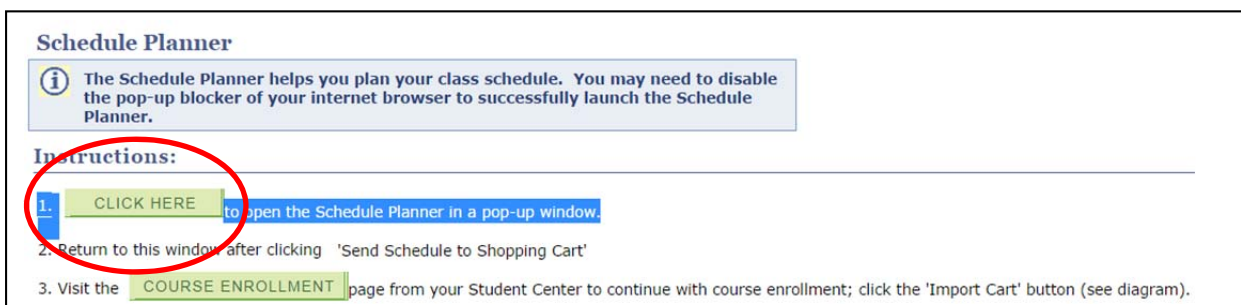

## Accessing the Schedule Planner

1. Log in to your **Student Center**.

2. Select **Schedule Planner**.

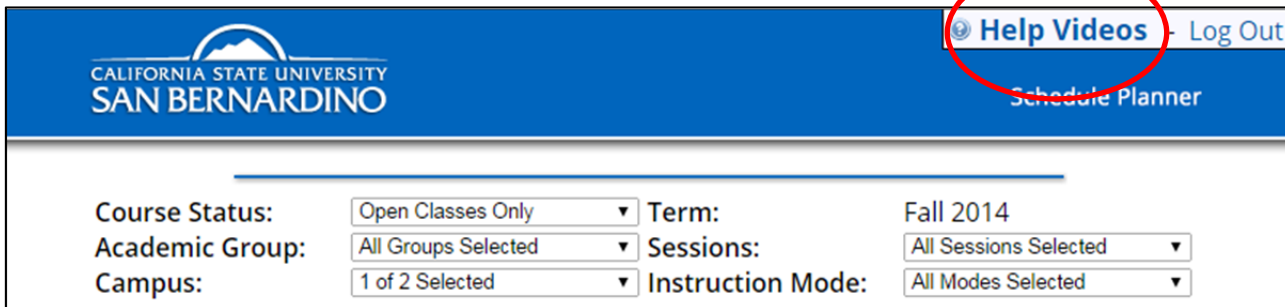

3. Select the **Click Here** button.

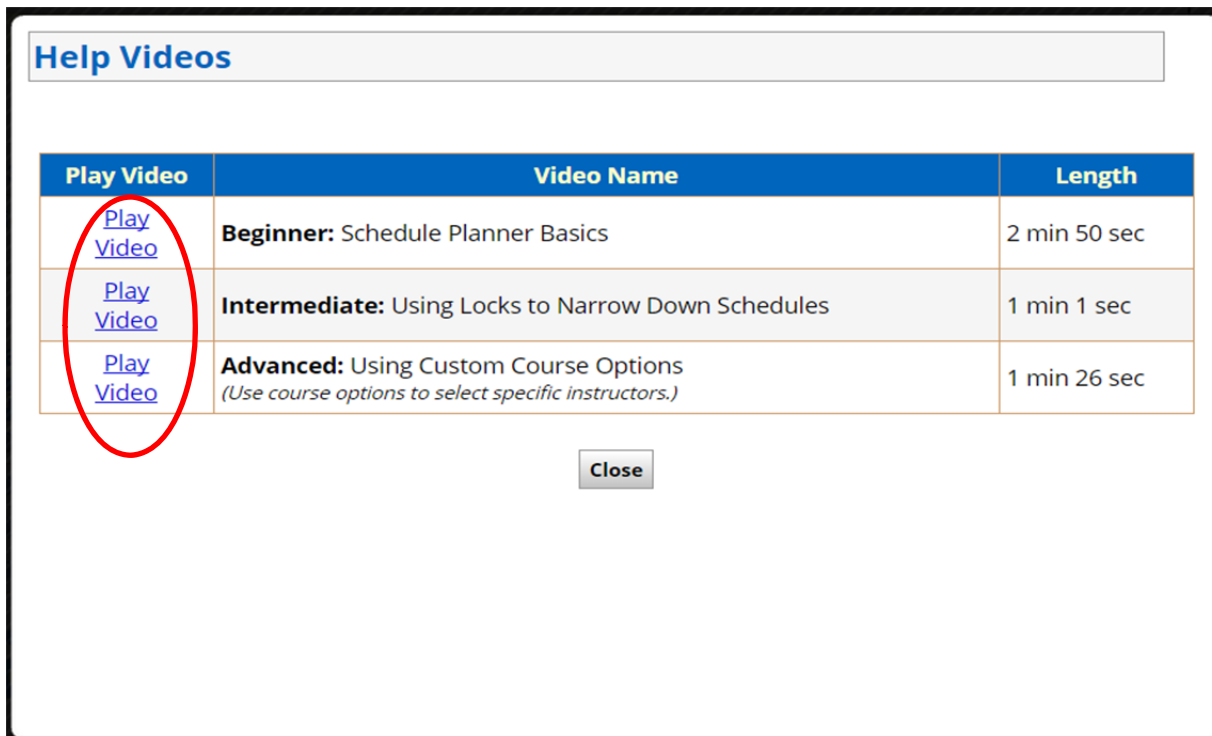

## View the Help Videos

1. Select the Help Videos link to view the tutorials.

The screenshot shows the top navigation bar of the Schedule Planner. On the left is the California State University San Bernardino logo. On the right, the 'Help Videos' link is circled in red, next to a 'Log Out' link. Below the navigation bar, there are several filter options: Course Status (Open Classes Only), Term (Fall 2014), Academic Group (All Groups Selected), Sessions (All Sessions Selected), Campus (1 of 2 Selected), and Instruction Mode (All Modes Selected).

2. Select the Play Video links to view the tutorials.

The screenshot shows a modal window titled 'Help Videos'. It contains a table with three columns: 'Play Video', 'Video Name', and 'Length'. The 'Play Video' links in the first column are circled in red. Below the table is a 'Close' button.

Play Video	Video Name	Length
