

Curriculum Vitae
James David Simon, PhD, LCSW

California State University, San Bernardino
School of Social Work
5500 University Parkway
San Bernardino, CA 92407-2318
James.Simon@csusb.edu

Research and Teaching Interests

Child Maltreatment Prevention and Intervention, Matching Needs and Services, Family Preservation, Child Protective Services, Client Engagement, Predictors of CPS Recidivism, Home-Based Postinvestigation Services, Alternative Response and Differential Response, Evaluated Out / Screened Out Families, Data-Driven Decision Making, Intersectionality, Racial Disparities, and International Social Work.

Education

- | | |
|-----------|--|
| 2010–2016 | University of Southern California, Los Angeles, CA
Doctor of Philosophy, Social Work |
| 2004–2006 | University of California, Los Angeles, Los Angeles, CA
Master of Social Welfare, Concentration: Children and Families
<i>Study Abroad Program: Florence, Italy 06/05–07/05</i> |
| 2000–2004 | California State University, Northridge, Northridge, CA
Bachelor of Arts: Psychology and German; minor in French
<i>Study Abroad Programs: Tübingen, Germany 08/01–07/02; Aix-en-Provence, France 8/03–06/04</i> |
| 1998–2000 | Los Angeles Pierce College, Woodland Hills, CA
Associate of Arts, Liberal Arts |

Work Experience

- 2017–Current ***Assistant Professor***
California State University, San Bernardino, CA
- 2014–2017 ***Children Services Administrator***
Department of Children and Family Services, Los Angeles, CA
- 2009–2010 ***Family and Couples Therapist***
Vista Del Mar: Home-SAFE, Los Angeles, CA
- 2006–2010 ***Children’s Social Worker***
Department of Children and Family Services, Los Angeles, CA
- 2005–2006 ***Therapist Intern***
St. John’s Child and Family Development Center, Santa Monica, CA
- 2000–2003 ***Outreach Counselor***
Extended Opportunity Programs & Services, Los Angeles Pierce
College, Woodland Hills, CA
- 2000–2001 ***Group Home Counselor***
Children Are Our Future, Canoga Park, CA
- 1996–2000 ***Youth Employment Opportunity Program Specialist***
Employment Development Department, Canoga Park, CA

Fellowships, Grants, and Awards

- Fall 2019 Diversity, Equity, and Inclusion Grant, California State University, San
Bernardino (Awarded: \$1,500).
- Summer 2019 Teaching Resource Center Course Development Grant, California
State University, San Bernardino (Awarded: \$5,000).
- Summer 2019 Professors Across Borders Grant, California State University, San
Bernardino (Applied but not awarded: \$2,500).
- Summer 2019 2019 Summer Research Fellowship, California State University, San
Bernardino (Applied but not awarded: \$3,000).

Summer 2019	2019 Summer Start-Up Funds Research Grant, California State University, San Bernardino (Awarded: \$5,000).
December 2018	2019-2020 Faculty Fellowship, the John Randolph Haynes Foundation (Applied but not awarded: \$12,000).
Summer 2018	New Faculty Learning Community, California State University, San Bernardino (Awarded: \$1,500).
Summer 2018	Professors Across Borders Grant, California State University, San Bernardino (Awarded: \$2,160).
Summer 2018	2018 Summer Research Fellowship, California State University, San Bernardino (Awarded: \$3,000).
Summer 2018	2018 Summer Start-Up Funds Research Grant, California State University, San Bernardino (Awarded: \$5,000).
Summer 2017	Summer Training Institute on Child Abuse and Neglect, Washington University in St. Louis (Travel Costs awarded)
2010–2016	School of Social Work Fellowship, University of Southern California (Tuition and Stipend awarded).

Research Experience

2017–Current	Department of Children and Family Services <i>Principal Investigator</i> "The Recurrence of Maltreatment in Family Preservation."
2010–2016	University of Southern California <i>Research Assistant</i> "Post-investigation Services, Racial Disparities, and Child Welfare Recidivism." PI: Devon Brooks
2013–2014	University of Southern California <i>Research Assistant</i> "Association between Health and Environment in Pueblo Del Sol, East Los Angeles" and "Homeless Veterans in Skid Row:"

Understanding and Addressing Behavioral Health Needs." PI:
Suzanne Wenzel

2011–2012

University of Southern California

Research Assistant

"Re-Report Rates and Risks for infants reported to CPS in
California." PI: Emily Putnam-Hornstein

2010–2013

University of Southern California

Research Assistant

"Los Angeles Court Appointed Special Advocates (CASA) Survey and
Outcomes." PI: Jacquelyn McCroskey

Teaching Experience

Assistant Professor, California State University, San Bernardino, School of Social Work, Fall Quarter 2017, 2018, & 2019, *Social Work 602A: Foundation Micro Practice I (Taught online and on campus)*. This course serves as an introduction to the generalist model of practice with individuals, families and groups, comparative theories of micro practice, and introductory intervention skills.

Assistant Professor, California State University, San Bernardino, School of Social Work, Fall Quarter 2017, 2018, & 2019, *Social Work 645: Advanced Micro Practice I*. This course is an advanced micro practice course that focuses on social workers as change agents who use empowerment models in implementing change with individuals, families and groups. Course content includes models that emphasize client

empowerment at the micro level including crisis intervention with individuals, family interventions such as family group conferencing, and self-help groups.

Assistant Professor, California State University, San Bernardino, School of Social Work, Spring Quarter 2018 & 2019, *Social Work 602C: Foundation Micro Practice III*. This course continues integrating micro practice content presented in SW602A and SW602B but focuses on the diagnosis of psychological disorders using the DSM-5.

Assistant Professor, California State University, San Bernardino, School of Social Work, Spring Quarter 2018 & 2019, *Social Work 660: Integrative Micro Macro Seminar*. This course is an advanced practice seminar that integrates micro, mezzo, and macro knowledge and skills using case studies, presentations, and role-plays covering social work in various service sectors.

Assistant Professor, California State University, San Bernardino, School of Social Work, Spring Quarter 2018 & 2019, *Social Work 690: Social Work in the Global Perspective*. This course covered major concepts and practices in international social work, a comparison of social welfare policies and practices in other nations, and cross-cultural knowledge and awareness. Students also interacted with social workers from other nations and engaged in a 12-day immersion in Panama. In Spring 2019, I prepared students for a social work immersion program in Italy and took our first cohort to Italy that summer.

Assistant Professor, California State University, San Bernardino, School of Social Work, Winter Quarter 2018 & 2019, *Social Work 646: Advanced Micro Practice II*. This course is a continuation of in the social work advanced micro practice sequence that focuses on social workers as interagency practitioners in micro practice settings. Course content includes material related to interventions with individuals, families and groups using paradigms of integration such as case management, multidisciplinary/ interdisciplinary teams and inter-agency collaboration at the micro level. Through class assignments, the course materials is tailored to the student's area of specialization (social issue, client population or field of practice).

Assistant Professor, California State University, San Bernardino, School of Social Work, Winter Quarter 2018 & 2019, *Social Work 602B: Foundation Micro Practice II (Taught online and on campus)*. This course builds upon content presented in SW602A by delving into theoretical frameworks and practice models related to the treatment of individuals, families and groups and integrating models and application with different client systems (individuals, families, and groups).

Lecturer, University of Southern California, School of Social Work, Spring 2017, *Social Work 610: Social Work Practice with Children and Families across Settings*. This course covers the unique challenges children, families, and social workers face while moving through different service sectors and the skills necessary to navigate these various settings and establish cross-sector collaboration.

Lecturer, University of Southern California, School of Social Work, Spring 2015, *Social Work 545: Practice with Families and Groups*. This course covered theories, principles, assessment, and interventions with a primary emphasis on families and groups with application to problems requiring multilevel interventions in a systems context.

Lecturer, University of Southern California, School of Social Work, Fall 2014, *Social Work 543: Practice with Individuals*. This introductory course emphasized generalist social work principles, focusing on a systems perspective, the continuum of service delivery levels and modalities, and a commitment to underserved and vulnerable populations.

Teaching Assistant, University of Southern California, School of Social Work, Fall 2014, *Social Work 619: Social Work in Public Child Welfare*. This advanced seminar for second-year MSW students focused on the knowledge, skills, values, and practice needed to enhance knowledge and skills for practice in public child welfare.

Lecturer, California State University, Los Angeles, School of Social Work, Spring 2014, *Social Work Practice 474: A Generalist Approach*. This bachelor's-level course covered generalist social work practice methods, including engagement, data collection, assessment, intervention case management, evaluation, and termination.

Teaching Assistant, University of Southern California, School of Social Work, Fall 2013, *Evidence-Based Interventions in Social Work*. These day-long seminars were geared toward teaching motivational interviewing, problem-solving therapy, and cognitive behavioral therapy in intensive, interactive activities.

Teaching Assistant, University of Southern California, School of Social Work, Fall 2012, *Social Work 671: Clinical Intervention and Advanced Theories in Work Settings*. This course covered clinical intervention strategies and theories emphasizing crisis intervention and task-centered and short-term interventions with individuals, families, and social networks effective in work settings.

Certifications and Trainings

Licensed Clinical Social Worker (LCS 27839), Board of Behavioral Sciences.

Trained in Evidence-Based Interventions: motivational interviewing, problem-solving therapy, cognitive behavioral therapy, and nurturing parenting.

Professional Affiliations

Society for Social Work and Research
Council on Social Work Education
National Association of Social Workers
International Society for the Prevention of Child Abuse and Neglect

Other Skills

Statistical Programs: Proficient in Stata, SPSS, Excel, and basic SAS
Languages: Fluent in Spanish, Italian, German, and French
