## WINTER 2020 FINAL EXAMINATION SCHEDULE MARCH 17 – 21, 2020

A final examination has been scheduled for each class. In courses extending over more than one term, the examination in the concluding term may also cover work done in the preceding term or terms. Examinations may <u>not</u> be taken before or after the scheduled period nor may the time of an examination be changed without authorization by the corresponding college Dean. Permission to take a final examination with a different section of the same course may be granted by the appropriate college Dean with the consent of the instructors concerned. Failure to take or to pass any final or other course examination will result in such deficiencies as instructors may assign.

<u>The final examination for classes meeting at times other than those listed will be arranged by the instructor and will take place during the time period of March 17 - 21, 2020</u>. Due to the compressed nature of final exams, conflicts may occur. Verify your final examination date with your instructor.
