

FALL 2014 BIOINFORMATICS GET-TOGETHER
School of Computer Science & Engineering

23 September 2014 (Tue)

1:00 – 3:00 pm

JB 387

1:00 – 1:15 pm: *Socials and some light refreshments.*

1:15 – 1:20 pm: *Dr. Concepcion, Welcome*

1:20 – 1:50 pm: *Talks by previous graduates:*

- **Mark Mata** (B.S. Bioinformatics, 2011)
Graduate student in M.S. Computer Science, CSU Channel Island.
- **Jacob Justus** (B.S. Bioinformatics, 2012)
Master of Bioscience in Pharmaceutical Discovery & Development, 2014, Keck Graduate Institute of Applied Life Sciences.
- **Regie Felix** (B.S. Bioinformatics, 2014)
Graduate student in Master of Bioscience degree in Bioprocessing and Business of Bioscience, Keck Graduate Institute of Applied Life Sciences.

1:50 – 2:10 pm: *Summer 2014 student intern talks on research work*

- **Marsha Perez** “Segmentation of Light Microscopy Images” Center for Bio-Image Informatics, UC Santa Barbara.
- **Adaeze Anyanwu, Dr. Christopher Wilson, Abby Dobyns,** “Developing Alternative Breathing Pathways in Neonates,” Center for Perinatal Biology, Loma Linda University.

2:10 – 3:00 pm: - *Introductions by faculty of the **Department of Chemistry & Biochemistry.***

- *Introductions by faculty of the **Department of Biology.***

- *Introductions by faculty of the **School of Computer Science and Engineering.***

- *Introductions by bioinformatics majors and freshmen.*
