EOP Chapter

The Educational Opportunity Program (EOP) Alumni Chapter was established to provide the opportunity for academic and lifelong success to historically low-income, educationally disadvantaged and/or first-generation college students who seek a future of educational prosperity.

EOP Alumni Chapter strives to provide support to the EOP student, both financially and academically, serve as an advocate at the local and state level, and showcase the program's success. The EOP Alumni Chapter strives to enhance alumni membership and to inform the community at large about the EOP program, its goals and benefits.

The EOP Alumni Chapter works continuously to establish a network that EOP students and alumni can turn to for personal, educational and professional support.
