EMPLOYEE BENEFITS SUMMARY

THE BENEFITS OF WORKING

AT THE CALIFORNIA STATE UNIVERSITY

This summary provides an overview of systemwide benefits to eligible employees.

The CSU is committed to offering benefit plans that provide employees options from which to choose their appropriate level of coverage and to help manage their wellness as well as retirement needs, if applicable. Unless otherwise stated, eligible employees may enroll in employer-paid and voluntary benefits.

ELIGIBILITY

To qualify for most benefits, you must have employment exceeding six months and one day, with a time base of at least .50. Academic-year lecturers and coaches are eligible for benefits if appointed for a minimum of one semester or two consecutive quarters with a time base of .40 or greater. Employees who do not meet eligibility requirements listed above may qualify for health care under the Affordable Care Act (ACA). If you do not meet any of the eligibility criteria mentioned, you may still be eligible to enroll in many of the voluntary plans.

Dependents of an eligible employee include:

- Spouse (unless legally separated or divorced);
- Domestic partner (registered through the secretary of state process); and
- Dependent children from birth to the end of the month in which the child turns 26.

A dependent child includes a step, natural, adopted or domestic partner's; a child certified disabled before age 26; or a child living with the employee in a parent-child relationship and is economically dependent upon the employee. For a list of required supporting documentation, please contact your campus benefits office.

HEALTH CARE BENEFITS

Eligible employees have group medical, dental and vision plans from which to choose coverage. They may cover themselves, their eligible spouse or registered domestic partner and eligible dependent children (up to age 26). For medical and dental employees should enroll within 60 days of employment, within 60 days of a qualifying change in status event (such as marriage or birth of a baby) or during any annual open enrollment period.

- **MEDICAL BENEFITS** The CSU provides a choice of various medical insurance plans. CSU contracts with California Public Employees' Retirement System (CalPERS) for all of our medical plan options. The cost of the medical plan premiums are shared between the CSU and the employee. If you elect a medical plan, you are automatically enrolled in the Tax Advantage Premium Plan (TAPP) unless you opt out. This provides for payment of the required medical plan premiums on a pretax basis.
- **DENTAL BENEFITS** The CSU provides two dental plans through Delta Dental—a PPO and a DHMO prepaid plan. The prepaid plan requires you to select a dentist from an approved list by Delta Dental. The CSU currently pays the full cost of the plan's monthly premium.
- **VISION BENEFITS** The CSU provides a vision care plan through VSP. The CSU currently pays the full monthly cost of the basic coverage for eligible employees and their dependents. Enrollment is automatic and begins on the first day of the month following your date of hire. Employees can purchase additional coverage under the premier plan, which is an enhancement to the basic vision plan.
- **FLEXCASH** Employees can receive \$128 FlexCash per month if they waive CSU medical coverage and/or \$12 FlexCash per month if they waive CSU dental coverage and are enrolled in other non-CSU group coverage. This payment is taxed as additional income. Proof of enrollment is required.

FLEXIBLE BENEFIT PLANS

Flexible benefit plans help employees save money by allowing them to pay for certain eligible expenses with pretax dollars. The tax savings help offset the impact of these expenses on disposable income.

For Health Care and Dependent Care Reimbursement Accounts employees may enroll within 60 days of employment, within 60 days of experiencing a qualifying change in status or during any annual open enrollment period.

- **HEALTH CARE REIMBURSEMENT ACCOUNT (HCRA) PLAN** With a Health Care Reimbursement Account, employees can set aside a portion of their pay, on a pretax basis, to reimburse themselves for eligible health care expenses. Each year, they may contribute up to the specified maximum allowed by the IRS and the plan through payroll deduction. Neither contributions nor reimbursements are taxed. A debit card is available, which allows an employee to use the card to pay for eligible health care expenses, eliminating out-of-pocket costs. Re-enrollment is required annually.
- **DEPENDENT CARE REIMBURSEMENT ACCOUNT (DCRA) PLAN** With a Dependent Care Reimbursement Account, employees can set aside a portion of their pay, on a pretax basis, to reimburse themselves for eligible dependent care expenses. Each year, they may contribute up to the specified maximum allowed by the IRS and the plan through payroll deduction. Neither contributions nor reimbursements are taxed. Please note: The maximum is reduced if you are married and filing a separate tax return. Re-enrollment is required annually.
- **PRETAX PARKING DEDUCTION PLAN** Employees may pay for parking in a CSU-qualified parking facility with pretax dollars. Premiums are automatically deducted from their paycheck, unless they opt out of the plan. They may change their election to participate at any time.

PLANNING FOR YOUR RETIREMENT

The CSU provides employees with a number of retirement benefit plans:

BASIC RETIREMENT PLANS

- **CALPERS RETIREMENT PLAN** CalPERS is a defined benefit plan, which provides a retirement benefit based on the employee's applicable retirement formula, age at retirement, years of service credit and compensation. Full-time employees (or part-time employees working at least halftime) are automatically enrolled in the CalPERS Retirement Plan. To be eligible, a full-time employee must be appointed for at least six months and one day, or a part-time employee must be appointed for one year or longer. Employees are required to contribute a percentage of their gross monthly salary per month. There is a cap on annual salary that can be used to calculate retirement benefits. The contribution is not subject to federal and state taxes. For additional information about the CalPERS defined benefit plan go to www.calpers.ca.gov.
- **PART-TIME, SEASONAL AND TEMPORARY (PST) RETIREMENT PLAN** Employees who are not eligible for CalPERS retirement are required to participate in the PST Plan. The PST Plan is record kept by the Savings Plus Program administered by the California Department of Human Resources, in lieu of Social Security. Employees enrolled in this program contribute 7.5% of their gross wages on a pretax basis to a retirement account available upon separation of employment.

VOLUNTARY RETIREMENT SAVINGS PLANS

Three voluntary retirement plan options are available to employees. This allows employees to save toward retirement by contributing to tax-deferred investments and supplement their CalPERS Retirement Plan benefits.

These plans help employees save money on taxes now and invest in their futures at the same time. Contributions are automatically deducted from employees' paychecks. Employees are able to change investment options, beneficiary designations and contribution elections online at any time.

Employees may participate in any or all of the plans. Each plan is governed by a different section of the IRS code, resulting in different rules and provisions and subject to certain contribution maximums. The three voluntary retirement plan options are:

- **THE CSU 403(B) SUPPLEMENTAL RETIREMENT PLAN (SRP)** Employees can contribute a portion of their compensation to a pretax or after-tax (ROTH) account. To establish an account or manage monthly contributions, visit www.netbenefits.com/calstate.
- **THE STATE OF CALIFORNIA (CALHR) SAVINGS PLUS 457 DEFERRED COMPENSATION PLAN** Monthly contributions can be managed at www.savingsplusnow.com.
- **THE STATE OF CALIFORNIA (CALHR) SAVINGS PLUS 401(K) THRIFT PLAN** Monthly contributions can be managed at www.savingsplusnow.com.
